## "ANIMAL" (LONG DISTANCE) MEET

**DATE:** Saturday, February 2, 1985    **Warmups:** 12:15    **Start:** 12:45

**ENTRY DUE:** Postmarked no later than Jan 26, 1985. Phone entries will be allowed for 1985 registrants at an extra charge of \$1.00 (call 639-4505 by Jan. 31). ABSOLUTELY NO DECK ENTRIES ALLOWED.

**COMPETITION:** Two separate competitions for each age group & sex:

- 1) For those swimming 1 or 2 events
- 2) For "TRIANIMALS" who choose to swim all three events.

**EVENTS:** 200 Y Butterfly, 400 Y Ind Medley, 1650 Y Freestyle

Seeding will be fastest to slowest without regard to sex or age with the following priorities: 1) Give best opportunity to non-"TRIANIMALS" to achieve best times. 2) Give TRIANIMALS the maximum rest possible between events. The meet will be quite short for single or double event people (regardless of their speed) since their event maybe early in order to rest the TRIANIMALS. TRIANIMALS should expect a longer meet. Some 1650 heats will be deckseeded.

**TIMING & LAP COUNTING:** Each 1650 swimmer must provide someone to count their laps. Timing will be touch pad electronic.

**POOL:** Lake Oswego High School Pool, 2400 SW Hazel Rd, Lake Oswego, OR. Fast pool with 8 lanes. Pool phone, 636-4617. Hwy. 217 south, turn left on Boones Ferry, then 1 mile north, turn right onto Country Club Rd, 1/4 mi, school is located on north (left) side of Country Club Rd.

**PARTY:** Afterswim food and drink at Susan Rittenhouse's home. Pay \$3.00 at the meet and pick up a map. Tell us you intend to go on entry form

**FEE:** First event \$4.00, each additional event \$1.00. Make checks out to to Oregon Masters Swimming (for \$4 or \$5 or \$6) and send entries to: Bob Smith, 18476 SW Timbergrove Ct, Lake Oswego, OR 97034.

## MESSAGE FROM G.G.

We find ourselves in the new year of 1985 and well into the 84-85 short course swim schedule. I want to thank Art Smith for serving as our first OMS chairperson since we more formally organized in 1981. We have seen some very positive changes in the past two years. Your OMS board members have been very active in expanding each of their roles. We have increased the visibility of OMS with several publicity improvements, our membership continues to be as great as for the 1982 Nationals (which brought everyone out of the woodwork!), and we have more formally recognized the accomplishments of Oregon swimmers with the Oregon Top Five certificates, top male and female swimmers of the year awards, and the Ole' Barnacle Award.

During the next two years as chairperson, I hope to maintain the momentum OMS now has to increase our membership and increase our visibility as an organization with a focus on healthy camaraderie. As more people are willing to donate a little bit of their time to our organization, we will become stronger. I encourage all of you to consider saying "yes" the next time you are requested to help OMS with your talents and your time. It is our organization and will be only what we are willing to make it!

Our next big long term goal is to host the Long Course Nationals in August, 1986, and to make these the best yet. We are forming committees now and will be needing a lot of man and woman power to do all of our preliminary planning. Our goal is that we plan ahead so that Oregon swimmers are not obligated to concentrate on anything but swimming during the meet itself. We would like to win all divisions of these Nationals, and we already have some serious challengers to the north and south of us!

Let's make this coming year a successful one for OMS. Recruit a friend, a neighbor, or a lap swimmer to participate in our program. A big thanks again to Art Smith and his board members for a job well done in 1983-84.

## BETWEEN THE LANE LINES

Toronto, Canada - Be sure to sign up for relays (Ginger Pierson)

\*\*\*\*\*

Be sure to mail in entry cards with your entry form. Pick them up at any swim meet or the Swim Cellar.

\*\*\*\*\*

In order for any out of state swims to be considered for Oregon's Top 5, your times must be sent to Robert Smith. Simply write them on a piece of paper and either mail or give them to him.

\*\*\*\*\*

If you wish to submit something to the Aqua Master, the deadline for receiving material will be the 30th of each month, for publication the following month. If you have something that would be of interest to your fellow swimmers, please feel free to contribute. Send your material to Andree Devine.

\*\*\*\*\*

The Mt. Park-Lake Oswego Piranha Swim Team is seeking a coach for its Masters Program. Salary is negotiable with the training being held at the Lake Oswego High School Pool. You will be responsible for supervision and management of the Masters Program. Candidates should expect to develop a swim training program for Masters of varied ages, abilities and competitive desires. Send resume to: Piranha Swim Team, Coach Doug Reyes, P.O. Box 1103, Lake Oswego, OR 97034, or phone Kara Kunde, 638-9402.

\*\*\*\*\*

Don't forget about the "No False Start" rule which was in effect for the Swim Cellar Pentathlon, and which will be in effect for all USMS swim competition as of January 1, 1985. Basically what it means, in the strictest of scientific terms, is "One false start and you're out of that race". It is possible that benevolent starter may decide not to charge a swimmer who may have accidentally slipped or lost his balance on the block, but the best rule of thumb from now on is to try not to false start.

\*\*\*\*\*

Japan Meet - Right now, there is a tentative indication that the meet will be scheduled for Mid-July of 1986 (one month before Long Course Nationals in Portland). Those who are going to this meet should begin thinking about their travel arrangements. Contact Bert Petersen, 252-6081.

\*\*\*\*\*

Speaking of Long Course Nationals, we are still brainstorming for ideas and the committees that will insure our having an all-time terrific meet and we need your help, too. Those who can lend a hand (or brain) please contact Sandi Rousseau (home - 642-3679) or Art Smith (days - 297-8065).

DON'T FORGET THE "ANIMAL MEET"!!!

You mean I have to swim a  
400 IM, a 1650 Free, and  
a 200 Fly on the same day?!!?

Dear Swimmer,

You are cordially invited to attend our second annual Masters Swim Meet in Boise, Idaho. The swim meet is designed to start on Saturday evening, February 16 and run through mid-day on Sunday, February 17, 1985. This will allow people to coordinate a skiing weekend with the swim meet if they so desire, since this is the 3-day Presidents' Day holiday weekend. Brochures are being obtained from Bogus Basin Ski Association for distribution to all interested parties. If you want to know more about the ski information, please contact me at the above address or the meet director. We'll be happy to forward information to you. Remember, Monday, February 18 is Washington's Birthday, and a holiday.

If you have not been to the Boise YMCA pool, it is a 25 yard, 6 lane pool with good starting blocks, timers, etc. The spectator area, locker room, and other support facilities are of very good quality.

There are motel and hotel accommodations within walking distance of the YMCA. If anyone needs reservations or additional lodging information, feel free to contact us. We will forward information to you. Lodging should be no particular problem that weekend.

We'll be looking forward to having a good representation from region 12 for our second swim meet. Please let us know as soon as possible the approximate number of people coming so we can make the necessary logistic arrangements. We also invite you Utah swimmers to join us in fun and a good time.

## WHAT THE ANIMALS ARE SAYING ABOUT THE ANIMAL MEET:

Frankly, I think I'd be in better shape to be a timer and help count laps

I'll be there for sure. What better way to spend the day than in the water

I hear there's going to be a great party at Susan Rittenhouse's. (Tuxedo Optional)

Too bad there isn't at 200 Breaststroke. I have a pretty mean Kick

Ol' Barn's Small Bits of Wisdom , etc.

Eugene Meet - University of Oregon Varsity Swim Pool , Nov. 3, 1984

Hosted by Don Van Rossen and the Men's and Women's Varsity  
Swimming Teams.

Good Meet, Well attended, 81 Entrants, in the words of Bob Smith, we had 280  
splashes and 42 Nosplashes.

Oregon Masters is shifting to computer, on the first go around Bob Smith had  
some real problems, that is why we are so late with the results, in the long  
run this should be a vast improvement over our old system, still some bugs,  
but they can be worked out and will be...thanks Robert for a job WELL DONE!!!"

YES...we had some records, there is one thing as sure as Death and Taxes, and  
that is that you will have records in a swimming meet.

Siversides can't let this one go by without some KUDOS.....

Sue Albright, Susi Fogelson, and Lavelle Stoinoff just keep swimming faster  
and faster, this is what Masters is all about, push the body, keep at it,  
you can hold your own with father time if you just TRY...

On the ugly side ; Eric Guest, Don Van Rossen and Art Brugger, all had  
great swims...Eric would have had 4 new bright and shinies, but due to timing  
difficulties, wound up with only two...Don Van Rossen had a great meet, with  
four new records, 3 of which were TOP TEN efforts, Art Brugger from the deep  
south is rounding back in shape, and put in two great swims.

Ol'Barn tips the old hat to our PNA friends ; Robin Durant, Kiko Kimura, Julie  
Corman, Kathy Crandall, and Walt Reid...it is a long drive from Seattle to Eugene,  
thanks for your support !!!

THE 1984 SWIM CELLAR PENTATHALON !!!!!

A meet, that under the guidance and sponsorship of Barbara and Brian Frid just  
keeps getting better each and every year.

This was the FOURTH ANNUAL meet and thanks to our officials it was the best one  
ever :

Referee -	Bernd Gerkens	Announcer	Bob Hathaway
Starters	Dick Parker	Elec. Timing	Jim Anderson
	Bernie Hayden		Judy Hathaway
	Jack Dawes	Chief Timer	Michael Horodyski
Stroke & Turn	Steve Brenner	Scoring	Cathy Anderson
	Larry Snead		Mary Ellen Hunsicker
	Steve Gustafson		Kay Dasch
	Bernie Hayden		Ginny Vaughan

Ol' Barn rambles on and on and on...SWIM CELLAR '84, (cont)

This was our first meet with the NO FALSE START rule in effect, and guess who, fellow swimmers was our first DQ - none other than our old friend-Vern Dasch, those of you who missed the look on his face when he surfaced, following the recall gun, you missed a classic of all times.

THE PARTY...now then, this was something else, our host and hostess ; Jani and Chuck Richards did it in spades...a beautiful home, decked out for the holiday season, excellent food, and great beverages. Thanks so much Jani and Chuck, Happy New Year to you both and many many more years of happiness !!!

Ol' Barn cannot let this party story die without mentioning a bit of interesting action that took place...

It seems that one of our top gal swimmers, innocently invited what turned out to be a perfect stranger and unwanted guest...in short this guy arrives and immediately puts the move on four of our lovelies, winding up with an "offer" to the last one...it took the large shadow of Art Smith to convince him that he was not wanted and he had best hit the road...

Ol' Barn tried to salvage something , but his efforts faded into the sunset of years...

Who amongst you can ever say again that Masters isn't exciting ???

1984 LONG COURSE TOP TEN : The Association had a great year, with 12 men and 18 women making the hallowed ground.

Our women came up with 4 people making the ALL AMERICA ;

Ginger Pierson with 3 big ones in the 50,100, and 200 breast

Sue Rittenhouse turned in a sparkling 200 fly

Lavelle Stoinoff - Lavelle really did it this time, 5, yes 5 BIG ONES...

200,400 and 1500 free, plus the 100 and 200 back, WOW !

Martha Keller - Martha made the TOP TEN in every event, now that is some swimming, with BIG ONES ; 50,100 free, 50 and 200 breast, 50,100 and 200 fly, and the 200 and 400 IM

The men (uglies) countered with 3 All Americans ;

Frank Warner came through with firsts in the 50 and 100 Back

Herb Eisenschmidt did in Mr Hargraves again with a fine 200 back

Collie Wheeler with 1st in both the 50 and 100 free, the finest 90 plus swimmer in the world.

We should not breeze past this story without mentioning the superb effort of HAZEL BRESSIE, who made the TOP TEN in every single event, congrats Hazel !!!

There are two graphs in AquaMaster which give the listings of everyone who made the TOP TEN in Long Course swimming for 1984.

Editor's Note : August 1986 may seem like a long way away, BUT, if we are to win it all again as we did in 1982, we had best get to work individually NOW, and sign up every swimmer we can get our fins on. PNA will be going all out to beat us, they have more people, we need more people. The Olympic Club also will be coming, suffice to say, Ol'Barn wants OUR men to be FIRST !!!

## 1985 MASTERS SWIMMING

Another swimming year is about to begin. We have a bunch of good meets and other events planned. But to participate you must re-register. U.S.A. Swimming has changed their calendar year so registration more closely follows the swimming year. Your registration will now run from Nov-1 to Oct-31. I am holding some registrations which have come in in the last several months. YOU MUST SEND IN YOUR REGISTRATION NOW IN ORDER TO SWIM IN THE EARLY MEETS OF THE SEASON.

The registration fee is now \$9.00. This includes the National Fee, Insurance, and Oregon Masters fee. The newsletter, the "Aqua Master", is now \$6.00. With the 23 cent stamp coming up we had to raise the charge. You should take the newsletter as it is the only way to learn about all of our activities. It will contain a copy of the entry form for every meet.

Please note the new mailing address for your registration. Also remember to sign your registration. Your signature is required by the insurance company.

If there are any questions call me at (503)644-6204.
