February, 1985

Dear LOGs (Local Operating Groups):

As our state meet is approaching and our LOG members are renewing their memberships, it is time to register each LOG officially with OMS. To refresh you about the criteria to become a LOG, the following was approved at a February 28, 1983, board meeting:

1. A LOG is a collection of association members who swim together and compete as a team at meets.
2. Each LOG must apply annually for approval by the Board of Directors.
3. Criteria for Approval: (a) Members of each LOG shall be identified by name and address, (b) A contact person shall be identified, (c) All members shall be registered with OMS for the current year, and (d) A minimum of six persons shall comprise a LOG.
4. Each LOG gets one vote at each general meeting.

As you may remember from 1983, there was much discussion regarding 3 (c) and (d) when these changes were made. The basic rationale for these points was that it seemed reasonable that all LOG members who have input toward a LOG's vote should be expected to support our organization financially. The minimum number of persons required to comprise a LOG is to help equalize the voting powers. It was felt that there was too much discrepancy for a LOG comprised of 1 or 2 persons to have the same vote as a LOG comprised of 15 to 35 persons.

Attached is a registration form that should be filled out and returned to the OMS secretary prior to the state meet to be held in March. Please attach a full list of your LOG members and please check to be certain that each member is registered with OMS. Any unregistered persons will not be allowed to swim and consequently will not accumulate points for your LOG. If you have any questions, call me (642-3679) or Brian in the evenings.

Hope to see you all at the meets!

Send the information to: Brian Langlais  
10328 SW Siletz  
Tualatin, Oregon 97062  
Phone: 692-6088

**Please Note:** The following logs  
are already registered:

OREGON MASTERS ASSOCIATION  
SHORT COURSE SWIMMING CHAMPIONSHIPS  
MARCH 29, 30, 31

Host: Tualatin Hills Barracuda Swim Club

Location: Tualatin Hills Swim Center  
15707 SW Walker Road  
Beaverton, OR

Facility: 50 meter by 25 yard indoor pool.  
Ten lanes with electronic timing.

Scoring: This is the annual Association championships. Points scored by club swimmers will be totalled and all clubs represented will have running point totals, with final team standings announced at the end of the meet. Meet champions will be awarded in three categories according to team size (see entry form). Scoring will be as follows:

Individual Events - 9,7,6,5,4,3,2,1  
Relays - 18, 14, 12, 10, 8, 6, 4, 2

PLEASE NOTE THE FOLLOWING:

1. Swimmers must be sure to include on their entry forms the CLUB they will be representing, (ie - MAC, Barracudas, Mt. Hood Masters, etc.). If you do not give this information on your entry form, your points will not be counted in any team totals.
2. All swimmers on a given relay team must be from the SAME CLUB for their points to count toward team championships, however, unattached relays are certainly welcome.
3. Swimmers from other associations are most welcome, BUT, they will swim for time only, with their times being duly sent along with meet results for national rankings, etc...
4. You are allowed to enter and swim a maximum of six (6) events and swim on four (4) relays (no two of the same relay though). A team may enter a maximum of three teams per each relay event - this would be a maximum of twelve swimmers - designating each team as Relay Team "A", "B", and "C".
5. Current United States Swimming regulations will govern the conduct of the meet.

There will be a concession stand open at the meet.

**You may call the pool on Friday, March 29 if you want to know which you are in for the 1650 so you will have some idea of what time you are swimming. Phone # 503-645-7454**

BETWEEN THE LANE LINES

Toronto, Canada - Be sure to sign up for relays (Ginger Pierson)  
Contact Ginger at 14218 NE 14th St., Vancouver, WA 98664,  
(206)256-6065.

\*\*\*\*\*

Be sure to send in entry cards with your entry form. Pick them up  
at any swim meet or the Swim Cellar.

\*\*\*\*\*

In order for any out of state swims to be considered for Oregon's  
Top 5, your times must be sent to Robert Smith. Simply write  
them on a piece of paper and either mail or give them to him.  
Robert's address is 18476 Timbergrove Ct., Lake Oswego, OR 97034.

\*\*\*\*\*

The deadline for submitting material to the Aqua Master issue  
which will go to print during the first week of April will be  
March 28th. Anyone who has anything that they think might be of  
interest to other Masters swimmers are urged to contribute. Send  
your material to me, Andree Devine.

\*\*\*\*\*

Those of you who are planning to go to Toronto for the Masters  
Games should contact Nancy McKenzie about your travel  
arrangements. Her phone number is on the meet schedule.

\*\*\*\*\*

Remember the "No False Start" rule now in effect. Basically, it  
means "one false start and you are disqualified from that race"  
so everybody be careful up on those blocks.

\*\*\*\*\*

Japan Meet - Right now, there is a tentative indication that the  
meet will be scheduled for Mid-July of 1986 (one month before  
Long Course Nationals in Portland). Those who are going to this  
meet should begin thinking about their travel arrangements.  
Contact Bert Petersen, 252-6081.

\*\*\*\*\*

Our next Oregon Masters Board meeting will be held on March 19,  
in the meeting room at the THPRD Walker Road pool facility.  
People who have ideas for our Long Course Nationals logo should  
attend this meeting or contact Sandi Rousseau. Really, you don't  
even need to be able to draw. Tell us your idea and we will  
submit it to our sketch artist (By the way Susan Albright, the  
Animal Meet T-shirts look great). Remember Oregon swimmers, this  
is your meet so we really do appreciate your input.

\*\*\*\*\*

Anyone who is planning to attend the State Championship meet but  
does not know where to stay, contact Ginger Pierson. She is  
coordinating accommodations for you with other Portland area  
swimmers. Also, if you are interested in having some out of town  
swimmers stay with you during the State meet, contact Ginger.

\*\*\*\*\*

Don't forget to put your registration number on your entry form  
when you enter a meet. This is mega-important because we need  
this number to verify that you are registered. It creates all  
sorts of havoc to have a non-registered person compete. And you  
cannot use the excuse that you don't know where it is because Pat  
Caudill is one step ahead of you. You will find your  
registration number on the address label of your Aqua Master.  
Also, send any changes of address or new subscriptions to Pat  
since he is the one who prints the mailing labels.

## Ol' Barn's Ramblings

Well here we are all you lucky people, thought you got rid of me, didn't you ?? No such luck, your coughing, blowing, and spitting columnist is back at it again. Please don't send me any of your home remedies for the malady that has been visiting upon me for the past two months, I have tried them all , and honest, none of them have worked.

First, let's play a little catch up....

GILBERT YOUNG (60-64), let me know in no uncertain terms not too long ago, that he had broken a record last summer at the Eugene Games. Gil turned in a great 500 Free at 7:24.27, breaking his own record of 7:28.47

A reminder here, those of you who think you broke a record at that meet, it was sanctioned in 1984 and therefor your times are valid, please send me a copy of the results with your performance highlighted.

CAROLYN BROWN (20-24), one of our newer swimmers really burned the lanes at Eugene, and came up with some sparkling times, to wit, all shiny new Records, for the Oregon Association :

50 Back - 31.24 vs 32.60  
100 Back - 1:07.64 vs 1:13.00  
200 Back - 2:26.71 vs 2:38.12

TIM RUMSEY (25-29) Ol' Silver Sides really blew this one, when we listed the national TOP TEN for long Course in 1984, we left out Tim's great swims; 10th in the 400 free at 4:42.19, and a BIG 3rd in the 1500 at 18:32.00 , Way to go TIM !!!!

Now that I have hopefully patched a few fences, let's get on with the new stuff..

The Newberg meet Jan 5th, was very well attended and went like clockwork under the masterful guidance of Jim McMasters.

The timers, bless them, three to a lane, a first in OMS history, were great, on the stick, and with it, the whole meet through, thank you all, as well as those great officials, without whom , all is for the birds.

One of the best kept secrets in Oregon is that the Newberg pool is a fast pool, attesting to this fact, let's see what our stalwarts accomplished on this cold January day .....

Some Asides :

Welcome Darel Artman, that 22.19 is right in there, great swim.

Ol' Barn runs out of superlatives when we talk about Bert Petersen, this guy just swims faster and faster, "magnifique".

Ol' Barn , just ramblin' on .....

More of those asides :

To me your old crusty one, the bestest thing about the Newberg meet was-seeing my old old friends ; Bob Morrison and Forbes Mack swim their first meet in Masters.

Bob swam in the olden days for the NE "Y" and the Aero Club, he was a standout breaststroker, and watch this guy he is a comer, my age group yet.

Forbes and I used to swim for Jack Cody at the MAC, back in the days when the only Cody Kids you heard about were the gals, believe it or not we had a great men's team as well, dominating Oregon AAU swimming for years, Forbes was one of the BEST in the WEST, and will be so again.

Welcome to Masters Bob and Forbes, Gad it's good to see you in the water again.

JACK HOEY , don't let anyone kid you folks this is our old friend John, what this is all about, look at his times :

50 yard back - :45.55 , 5th in Top Ten  
100 yard back - 1:43.17 , 6th in Top Ten

A tip from the ol' crustacean, swim, swim, swim, WOW, Stand Tall !!!

THE ANIMAL MEET - now this must have been something, really a great meet put on by our own Robert Smith at Lake Oswego High pool. Please check the overall times, just to finish all three events would be an accomplishment, BUT, we had records too.....

am truly sorry to have missed this, I was just hoping to dog paddle through the 1650, this meet was all in one day, let's look at the records, Ol' Barn hereby challenges any association in the country to do better...

Noteworthy ; Look at Lee Miesen's three times, all right in there.

Robert Smith, no distance man, BUT, run the meet and swim like that !

Walt Reid from PNA, a fine triad, way to go Walt !!

Look at the first 3 women in 20-24, they can swim for me anytime,  
Laila Deardorff, Andree Devine, and Laura Clark

Pat Giordano , 2 out of 3 were TOP TEN times

Look at Kiko Kimura, great northern friend, 3 terrific swims

HATS OFF TO ALL OF YOU WHO SWAM IN THIS ONE, Ol' Barn is honestly going to try to swim these 3 events in one day this year, that's a promise.

**THE SECRETARY'S CORNER**

The last Oregon Masters Swimming Board meeting was held on February 19, 1985. OMS now has 350 members. Bert Petersen reported that Mt. Hood Masters Club is trying to make money from the KEX Sports Club. If it works, he will inform OMS of how to proceed. The Board also decided that the breakdown of teams for the Association meet will be by the number of swimmers who sign up from each team for the meet. The categories are 0 - 9 members, 10 - 19 members, 20 + members. The Board also voted to award a first and second place in each division. Also, the Board discussed the recipients of the Top Male and Female swimmer awards.

The next Board meeting will be on March 19, 1985, at 7:30. Location: Tualitin Hills Walker Road Pool meeting room. Everyone is welcome.

## ABC's - BACK TO BASICS - DEFINITIONS

We hope this will help newer Masters out of the "Initial Fog" of Masters Swimming.

- U.S.M.S. - United States Masters Swimming(everything in U.S.A.)
- M.S.I. - Masters Swimming International
- L.M.S.C. - Local Masters Swim Committee
- S.C. and L.C.- Short Course(25 yd.) and Long Course(50 meter)
- A.M. and P.M.- Morning and Night - Isn't this easy?
- I.M. - Individual Medley(Take notes, there will be a test)
- F.I.N.A. - Federation International de Nation Amateur(close enough, it's the A.A.U. of the world) (oops)
- A.A.U. - Amateur Athletic Union of the U.S.A.
- Association - a group of clubs, for example:
  - O.M.S.A. - Oregon Masters Association
  - P.N.A. - Pacific Northwest(Washington) Association
  - I.E.A. - Inland Empire Association
  - S.R.A. - Snake River Association
- Region - there are 15 nationally; All of the above are in Region XII
- L.O.G. - Local operating group(your club, for example)  
some examples: V.O.T., B.S.C., H.S.C., etc.

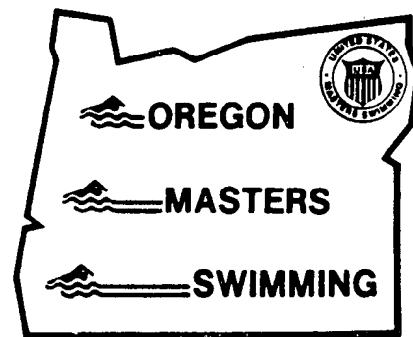

O.K.! Now, let's give this thing a try and see if we were all paying attention. Here's how it works: J.R. Ewing, and R.N. in real life, belongs to a L.O.G. (M.H.M., to be specific), which is part of O.M.S.S.(one of Region XII's finest A's). The Region is part of U.S.M.S. - separate from the A.A.U. - and only in the U.S.A. (missing this is an automatic failure). U.S.M.S. is one of many National Organizations around the world . . . which is only one of nine planets in this solar system. Anyway, you get the idea. J.R. doesn't like to swim L.C. and especially not the longer I.M.'s, Drives a TR.

Any hoo . . . with this new-found knowledge, don't go around the meets spouting off with endless initials. Some of the old-timers won't understand!

### The FANTUM

P.S. - Someone needs to tell the FANTUM that the A.A.U. does not exist any longer!  
How old did you say you were?

## 1985 MASTERS SWIMMING

Another swimming year is about to begin. We have a bunch of good meets and other events planned. But to participate you must re-register. U.S.A. Swimming has changed their calendar year so registration more closely follows the swimming year. Your registration will now run from Nov-1 to Oct-31. I am holding some registrations which have come in in the last several months. YOU MUST SEND IN YOUR REGISTRATION NOW IN ORDER TO SWIM IN THE EARLY MEETS OF THE SEASON.

The registration fee is now \$9.00. This includes the National Fee, Insurance, and Oregon Masters fee. The newsletter, the "Aqua Master", is now \$6.00. With the 23 cent stamp coming up we had to raise the charge. You should take the newsletter as it is the only way to learn about all of our activities. It will contain a copy of the entry form for every meet.

Please note the new mailing address for your registration. Also remember to sign your registration. Your signature is required by the insurance company.

If there are any questions call me at (503)644-6204.
