SECRETARY'S CORNER

This time we should call this section Secretary's Page. The highlights of the OMS Board of Directors Meeting September 17, 1985 Call-To-Order at 7:36. The Secretary was forgiven the misspellings. The Treasurer had no report due to a late bank statement and a certain individual who did not report some written checks, but he estimated that OMS had a net income for the year of approximately \$600.

The Vice Chairperson reported that we finally got the Albany meet completed with a profit of \$20 to OMS. The Ashland meet was well organized and run but the attendance was small. We are thinking of hiring one or more buses to transport people to Ashland for the Association Championship Meet. The Howard Prairie Open Water Swim was well organized.

- Membership - We need to complete our meet schedule so the brochure can be printed.
- Registration - The new registration forms should be going out soon.
- Social - None
- Records - We must have the meet results turned in sooner so records can be compiled.
- Host - None
- Aquamaster - Deadline for submittal of articles is September 25.
- Data Manager - None

Old Business:

A general meeting will be held on October 26, 1985. This is an open meeting and everyone is encouraged to attend. A report by all officers and committees will be given and the election of the Vice Chairperson and Treasurer will take place.

New Business:

The Beaver State games personnel were talking to OMS about incorporating swimming into their program on July 24-27. We are continuing discussions.

OMS should send someone to represent us at the Oregon Swimming Board Meetings. Sandi volunteered the Vice Chairperson and Chairman.

OMS will support Oregon swimming by placing a full page advertisement in their handbook.

Sandi and Bert reported on the National Convention. The following rule changes were accepted and take effect January 1, 1986.

1. All relays will be swum with cumulative age of the participants deciding which age group the relay swims under, 119 and under, 120; 160; 200; 240; 280. All current records will be retired on January 1, 1986.
2. If the whip or frog kick is used for the butterfly, one arm stroke must be accomplished each pool length.
3. The 1500 meters can be the first or last event of a national meet at the discretion of the meet director.
4. Relay records will be kept for the top 10 only.
5. A participant's name can appear on one relay only for each event in the top 10. Any subsequent submissions with the same name for a slower time will disqualify the entire team from top 10 rankings.
6. All starts and turns will be short course. NO MORE LONG COURSE STARTS.
7. Insurance does not cover the following: Travel to and from practice or an event, foreign nationals, a nonsupervised practice, doctors liability for emergency aid or care.
8. Emergency care and treatment must be provided at all national meets.

The 1987 Short Course National Meet will be held at Stanford, California and the Long Course National Meet will be held at Woodlands, Texas.

Bert Peterson was elected to be the Oceana Zone Chairman for USMS.

Nationals Committees:

Advertising - Earl set a goal of selling \$10,000 worth of advertising space for our heat sheet. We decided to award a 15% commission to the seller on all advertising sold. The prices are \$200 full page, \$100 one-half page, \$50 one-quarter page, \$25 one-eighth page.

Meet Director - Wednesday before the meet the college is thinking about putting on a food fair for participants in the afternoon and evening.

The next meeting is the General Meeting, Saturday, October 26, 1985 at the Tualatin Hills Recreation Center at 10:00 a.m.

I am conducting a study of the effect of aging on swim performance. If you have a record of your times for events in Masters meets for five or more years, I would like to include them. If you know times for events swum prior to Masters competition (age-group, senior or collegiate swimming, etc.), please include those times also, along with the year in which they were swum. Congratulations to Mt. Hood Community College for running a great Junior Nationals meet. We look forward to working with them in 1986 when they host the United States Masters Nationals.

Birthdays - It was suggested that I publish them one month ahead of time. I'm open to suggestion, so in this issue, I have listed both October and November birthdays.

Also, I had a request from one of our association members that we have an article about the pros and cons of swimming with a club. Anyone out there in television land want to contribute what they like about swimming with a team or not swimming with a team?

Tired of staying at motels when you go to an out-of-town meet? Contact a H.O.S.T. chairperson:

TO RILEY KING from the editor - THANKS FOR SENDING THE "CONTRIBUTION" TO THE AQUA-MASTER. I'LL PRINT IT IN THE NOVEMBER ISSUE

Finally after what seems like months of waiting we have the results of the end of Long Course for 1985, the LC Regionals at Tacoma and the LC meet at Albany.

LONG COURSE REGIONALS at TACOMA ;

FIRST...missed ANDREE DEVINE's great REGIONAL records for the 200 Fly and the 400 IM, 3:06.67 and 6:17.27

DONNA RYAN picked off a GOLD in the 50m free

REBECA SWEETLAND brought home the gold for the 50 free and the 50/100 back

MONIKA HUNSCHER scored a lot of points for OMS, placing six events

PAM HIMSTREET garnered golds ; 100 free, 100 back, and the 200 IM

GEORGIA RYAN swam well in her first regionals

CONNIE WILSON brought home 3 golds in the backstroke events

MARGARET WELLS, formerly known as "maggie" just dominated the 55-59, with six yes, 6 , big GOLDS

ELFIE STEVENIN came through with golds in the 100 Brst, 100 & 200 Fly

HAZEL BRESSIE added SIX golds for OMS in her specialties

DARELD ARTMAN (20-24) hope he turns 25 by Aug 24...anyway this young man from Newberg has been completely overlooked and shall now get the rave notices he deserves ; REGIONAL records for the 50 and 100 free, OMS records for the 1500 free and the 400 IM and a near near miss in the 100 fly.

DAN JOHNSON came back home with golds for 100 Brst and 200 IM

ROBERT MAESTRE swam home for golds at the 50 and 100 free

FRANK WARNER picked up the shiny for the 200 free & 50, 100 and 200 Back

BRIAN LANGLAIS was the winner at 400 free and the 200 IM

BERT PETERSEN swept the fly with 3 golds

ABRAHAM STANTON ... REGIONAL CHAMPION, 1500 free and 50 brst

ERIC GUEST added 4 golds to OMS bounty, 50/100/200 free and the 50 Brst

DONALD STEVENSON went to work and dug up 5 GOLDS

HERB EISENSCHMIDT came home with the 200 & 400 free plus the 200 back

for those of you who cannot pass on any of this drivel, have a couple of goodies for you, back in 1942 - Gerald Huestis was the swim team captain for the U of O Varsity, my old eyes have not seen Gerry since right after WWII, and there he was with two new regional records, this is what makes Masters fun, the only problem now is that he swims for PNA

Chuck Sheldon from IEA has been swimming well for the IEA for many years BUT never like ~~the~~ 50 Fly he turned in at Tacoma, 35.40 , a PR , etc. by miles

Ray Frederick from PNA had himself some kind of a day with new regional records for the 50, 100 and 400 free

Lisa O'Brien and Lee Holm both from PNA set 4 Regional records, two apiece

a short note to those of you who say you don't like Long Course, try the 200 fly sometime, also your one and only chance in your neighborhood is coming around again, at Mt Hood Community College, AUGUST, 1986

ALBANY LONG COURSE - Thanks to the pick and shovel work and never say die attitude of our Vice Chairman, MARK BECKER, this meet though small in numbers was a jewel, great job and thank you Mark for a really top exhibition of getting it done !!!!

OL' BARN, continues to make waves, small ones ???

ALBANY LONG COURSE MEET , cont. :

RECORDS , yes, and some GREAT ones...

Bill Clayson from Eagle Creek won the 50 and 100 free, looking good

Wayne Baker from Keizer, looks like a comer

Norman Kurz from Myrtle Creek, a backstroker of merit

Michael O'Neil, brand new, and swimming up a storm

Ed Dannewitz from Eugene, we need your kind at Nationals

Elizabeth King from Sandy, will add strength to our 60-64 group

Sandy Crosier from Roseburg did alright

Barbara Bradley, also brand new, welcome to OMS

TIP OF THE HAT AWARD :

Has to go to a great person, and fine swimmer, TERRY MCCURDY, from Umpqua, winning 3 first places, plus giving Sam a race for his money in the 400 Free.

It is so encouraging to see all the new people at our meets, it is also great to see them do well, we will need all the NEW faces we can get in '86.

COMMENT : from MSI News (Bulletin for Masters International)

talking about a meet in Japan ; 25 m 8 Lane indoor pool, 1600 swimmers (men and women), allowed to swim only two individual events plus one relay, all officials in white uniforms from hats to shoes, each swimmer introduced, in each heat, by name and club affiliation, The meet ran exactly on schedule with nary a hitch. I don't think it is just cars we have to worry about, see you in Japan in '86, 1st World Championships, July 11-16.

OL' BARN gotta say it, for the first time since who knows when, we must report that the "uglies" have more people on the top ten than the "pretties", like 23 guys and only 16 dolls...How about that ????

Am afraid that I must add in a hurry that the dolls have five(5) All Americans against the guys with only 4...I will tell you one thing you can match Oregon against any like sized state and you won't come up with 9 All Americans.

First things first...It is a shame that SWIM SWIM is out of biz, they used to pick the TOP swimmer in each age group for men and women, your writer feels that there is no one that can compare with the stellar showing of Lavelle Stoinoff, you count them she is well ahead of anyone, for TOP SWIMMER in her age group, period !!!!!

CATHY IMWALLE - New All American and National Record Holder, congratulations Cathy.

JUDY BELFORD - New All American, Judy has been close, now she has made it.

Bummer of the Year - Our ART SMITH, missed AA by 4:47.27 to 4:47.96 in the 400 I.M. (It hurts, I Know)

New Faces on the TOP TEN : Nona Hanan, Mark Boerner, David Marlin, Tyler Walthers, Sam Ierulli, Eric Guest... Congratulations to all of you, WELL DONE !!!!!

Ol' Barn (Tip of the Hat) Goes to Jack Hoey, swam to a 3rd in both the 100 and 200 Back, and to ... Herb Eisenschmidt, '84 only the 200, now both the 100 and the 200 !!!!!

Hello Again to old faces - GREAT !!!! to see Vern Dasch up there again, Vern, we will need you in '86
Well folks, that's it for Short Course '85, many of these people have talent going way back, BUT, there are some, who are there, just because they WORKED HARD.

We will be anxiously watching everyone's progress in short course this year as that will be the basis for what we can look for in LONG COURSE NATIONALS in PORTLAND...AUGUST 1986

COUNT DOWN...It is now LESS than 11 months to N - Day, let's swim for our lives sake, but also for a TEAM NATIONAL CHAMPIONSHIP IN 1986, and of course the GREAT GUPPY.

OREGON - USA SWEATS

Sharp looking sweats with embroidered letters are now available for any interested swimmers. The sweats are navy blue with four thin white trim stripes running down the arms and pant legs and with white zippers for the jacket and pockets. The material is 100% brushed polyester and machine washable and dryable. The embroidery is white, machine generated, and looks very nice. Your name (embroidered in script) is available for both the jacket and pants.

Judy McCurdy (who did all of the footwork for these Oregon sweats) has agreed to serve as the order headquarters. Allow three weeks for finishing, and then they will be delivered to the next swim meet. Please do not ask Judy to send them to you.

The OMS board would like to encourage all Oregon swimmers to consider the purchase of these sweats prior to the Nationals at Mt. Hood Community College in August, 1986. We think they will add a "team" look for our Oregon swimmers.

NATIONAL CONVENTION - 1985

by Sandi Rousseau

Bert Petersen, Connie Wilson, and myself recently attended the 1985 United States Aquatics Sports convention in Phoenix. (Don't be envious we didn't have a chance to enjoy the 106 degree temperatures, but we did get "seatitis" that means "inflammation of the seat" from all of the meetings!) Bert and I were the two delegates to which OMS is entitled, and Connie was a member-at-large, thereby giving Oregon three votes in the House of Delegates meeting.

Being my first exposure to the "national scene", I found the meetings to be quite an educational experience. The three of us came back to Oregon with a spring in our step (it was cooler here!) and lots of new ideas and information for us to consider. The most pertinent things for you to know about as a swimmer are the rules changes. This convention is where it all happens as far as our rules and regulations in Masters swimming. Specifics of all of the rules changes are available from one of us, but I think you will be interested in the following changes (to be effective 1-1-86).

1. The short course start shall be used for all events, i.e. no more long course starts.
2. Relay age groups shall be based on the cumulative ages of the swimmers in whole years, i.e. 119 & under, 120+, 160+, 200+, 240+, and 280+.
3. Relay leadoff splits recorded by fully automatic officiating equipment shall be considered for top ten times, provided such splits are brought to the attention of the LMSC Top Ten chairman in writing.
4. Records and Top Ten times shall now be recorded for 25 meter courses.
5. In National Championship meets, the 1650 or 1500 may be offered on the first day of the meet at the meet director's option. (NOTE: We will not be doing this at our 1986 L.C. Nationals.)

Other decisions that will be of interest to you:

1. 1987 Short Course Nationals will be at Stanford.
1987 Long Course Nationals will be at Woodlands, TX
2. Top Ten relays must have four different swimmers, and no swimmer's name may be duplicated in any other relay, i.e. one's name may appear in the Top Ten relay results only once.
3. SWIM magazine is now an official publication of USMS, Inc.

NATIONAL CONVENTION (CONT) ↓

4. Money was allotted to hire an individual to function in a public relations capacity for USMS. This person will also be able to help with publicity during National Championships.

5. It is likely that USMS will have a new and separate rule book for 1987 (instead of the current USS Rules and Regulations with an addendum for USMS).

Two more things of note (1) OMS is in the Oceana Zone of the United States (also including the three California associations, PNA, Snake River, Inland Empire, Alaska, and Hawaii), and our new Zone Chairman is our very own Bert Petersen. Congratulations are in order for Bert, as he has taken on a job that he can develop and mold since there is really no job description for the zone chairmen. I'm sure Bert would appreciate any ideas you might have for him. (2) Connie Wilson has accepted the position of Chairperson of the International Committee at the national level. This is a real tribute to Connie's dedication and contributions to Masters Swimming over the past years. Congratulations from all of us in OMS.

NATIONALS UPDATE

by Sandi Rousseau

As many of you may have already seen, we have the 1986 Long Course Nationals meet brochure printed. Barbara Frid, Susan Albright, and myself worked hard to get this completed prior to the Masters Games in Toronto. We will be bringing these brochures to all of our meets, so that you may pick up as many as you need to distribute in your area of the state. There is only one change in our meet brochure due to rules changes at the National Convention the relay age groups have been changed to cumulative years of each swimmer, i.e. 119 & under, 120+, 160+, 200+, 240+, and 280+. This will make figuring out our Oregon relays a real challenge!!

I hope you are all planning on swimming in our Oregon hosted Nationals, as you will find it to be an exciting experience especially if you have never attended a Masters National Swimming Championships!
