ANNOUNCEMENTS:

Your 1984-85 registration expired on October 31, 1985. You need to re-register now so that you may swim in Masters meets. Also, the December issue of the Aqua-Master will be your last one if you have not yet re-registered. (This is a recording).

PIGGY LEE

'Cudas in the news--Bear with me for a moment. You see, since I swim with the Barracudas, I hear about what some of the people in club are up to, so here are a couple of recent happenings:

PETER RABBIT

CONGRATULATIONS! Brett Arvidson and Jayne Chastain "tied the knot" on October 27th.

CONGRATULATIONS are also in order for Mary Matson, who is going to field her own swim team some day. Mary recently gave birth to her sixth child, a baby girl named Molly.

AND TO JIM EDWARDS, from Umpqua Valley Masters, a belated HAPPY BIRTHDAY! Jim has the honor of being the first person I have ever come across who has a birthday during the 14th month of the year. It turned out to be an error on the OMS roster, although I was almost ready to call Jack Palance at Ripley's Believe It or Not. Normally, Jim celebrates his birthday on the 16th of October, so HAPPY BIRTHDAY, and I apologize for leaving you off the list.

TONIGHT

SECOND AND PERHAPS LAST EVER-
"ANIMAL" (LONG DISTANCE) MEET

DATE: Sunday, December 8, 1985

Warmups: 8:30 AM

Starts: 9:30 AM

Sanctioned by USMS, Inc. and LMSC for Oregon Association

ENTRY DUE: Postmarked no later than November 29, 1985.
ABSOLUTELY NO DECK ENTRIES ALLOWED.

COMPETITION: 1) For those swimming 1 or 2 events
2) For "TRIANIMALS" who choose to swim all three events.

EVENTS: 200 Y Butterfly, 400 Y Ind Medley, 1650 Y Freestyle

Seeding will be fastest to slowest without regard to sex or age. The meet will be quite short for single or double event people (regardless of their speed) since their event may be early in order to rest the TRIANIMALS. TRIANIMALS should expect a longer meet. Some 1650 heats will be deckseeded. In the interest of time, expect to swim 2 to a lane.

TIMING & LAP COUNTING: Each 1650 swimmer must provide someone to count their laps.
Timing will be touch pad electronic.

DIRECTION TO POOL: East on 84 N to Wood Village exit. South on Hogan Road to Stark.
Left to 257th. Right to Cochran. Left to Pool.

AWARDS: "TRIANIMALS" will be eligible for a special t-shirt at a very low price for completing all events.

FEE: First event \$5.00, each additional event \$1.00. Make checks out to Oregon Masters Swimming (for \$5 or \$6 or \$7) and send entries to: Mt. Hood Community College, c/o Mark Hokkanen, Aquatic Center, 26000 SE Stark, Gresham, OR 97030.

BETWEEN THE LANE LINES

The deadline for submitting material for the December Aqua-Master, which will go to print the first week of December, will be Nov. 22.

For any out-of-state swims to be considered for Oregon's Top Five, you need to send your times to Robert Smith, 18476 Timbergrove Ct., Lake Oswego, OR 97034.

L.O.G.----- No, this isn't something that you find lying on the beach. These letters stand for Local Operating Group, for example Mt. Hood Masters or Umpqua Valley Masters. A L.O.G. is not a team, however. Oregon Masters Swimming Association is a team. Anyway, the point is that we cannot refer to a L.O.G. as a team (that includes me, since I didn't even know that there was a distinction between the two). So, will individuals who swim with a L.O.G., who wish to contribute their opinions as to the advantages or disadvantages of doing so, or individuals who prefer not to swim with a L.O.G., please go ahead and send a little paragraph to me. I think there are other swimmers in the Oregon Association who would be interested in knowing about the pros and cons of swimming with a L.O.G. (I, for one, enjoy swimming with a L.O.G. that has a set work-out time because I find it a hassle to try to work-out during a lap swim, and because I tend to just diddle around for a few hundred yards if I am swimming by myself).

CONGRATULATIONS -- Our own Connie Wilson competed in the National Masters Track and Field Championships in Indianapolis, Indiana, this past August, and what a showing she made. Competing in the 50 - 54 year old age group, Connie finished up with a gold medal in the discus and a silver medal in the shot put. And if any of you have an interest in Masters track and field, contact Connie, (503)771-1663.

The "Where are Dick and Ed when you have a blooper" Department -- It was a cool and stormy day in Tacoma, but inside Wallace Pool on the U.P.S. campus, the air was warm with excitement as the 100 free was about to begin. Everyone was quiet for the start, so quiet, you could hear a gun drop. Wait, isn't that supposed to be pin? Not this time. Starter Dick Unrue dropped the gun...into the pool. Amid applause from the participants, "Mr. Starter" composed himself quickly and simply got another gun. But there was still the matter of the gun in lane one (actually, it was six, but that doesn't rhyme with gun). Enter our hero, Rick Ingraham, who daringly put aside all thoughts of himself to leap (well, step) into the pool to retrieve the floundering firearm (well, actually, it sunk). In an exclusive interview, a humble Ingraham commented on his motivations for stepping in and performing this incredible act of heroism: "It had already been down there without air for about thirty seconds and if it stayed down there any longer, it would have been ruined." WHAT A GUY!

How quickly we forget. This is just to remind all you swimmers out there that we do still have a "No False Start" rule. What it means is that if you are disqualified for a false start, you may not and will not swim in that event, not even for exhibition.

As you can see from the meet schedule, our State meet is down in Ashland this season. We on the OMS board have decided it might be a good idea to charter a bus that would go from the Portland area down to Ashland. Since we are investigating the costs right now, we would like to know how many people would have an interest in this form of transportation to and from the meet. Drop me a card or leave a message on my answering machine if you are so inclined.

Water Art By Riley King.

The patterns illustrated are computer generated plots of water flowing past foils of various shapes. The current consists of streamlines and vortices. Some of the foil shapes roughly approximate the cross section of the hand. For example, if you drag your hand through the water you will notice two trailing vortices circulating behind your hand.

Connie Wilson is working on assembling a list of pools available for lap swims here in Oregon, so people who travel within the state don't have to skip their swim work-out. We definitely need help on this list, so let Connie know about pools outside of the Portland area that have lap swim times available. Connie's address and phone # are: 8383 SE Battin Rd., #1 Portland, OR 97226; (503)771-1663.

OL' BARN -- we start a new year !!!!!

This is the year that brings us to another LC Nationals Championship meet in our own back yard, to be specific, at the wonderful facilities of Mt Hood Community College.

Do you remember Oregon Masters scored a grand total of 3,141 points just about double what any other team has ever scored.

How did we do it...by everyone swimming, by finding swimmers who did not know about masters, by swimming relays by the ton, by swimming PR's....

ARE WE WILLING TO WORK HARD, SWIM HARD, AND TRAIN HARD ???????

as I write this column we are exactly 10 months away, the swimming world is counting down, let's get with it !!!!!!!

THE CORVALLIS MEET....excellent facility, excellent meet, the way to start the year ;

THE WOMEN :

HAZEL BRESSIE.....comes through swimming better than ever, with a REGIONAL record in the 200 Back at 5:43.25

Janet Baumhofer, another baumhofer, we can use them good swims all the way

Beverly Underwood, a sandbagger, BUT, early in the season who cares, well done

Andree Devine, turned in a PR in the 500 free with a fine 6:16.64

Cheryll Mayer, another sandbagger, 55.00 entry with a 43,88 swim (50 Back)

Mary Edwards, a bright and shiny new face, welcome pool side

Laura Baumhofer is moving faster in the 100 fly with a fine 1:07.08

also with a fine early season effort for 200 IM at 2:33.29

Robin Havenick, welcome to the lanes

Jean McFarlane, a breaststroker of merit, keep it going

THE MEN :

GIL YOUNG, old faithful from MHM, came through with a bright and shiny new 200 yard Free record at 2:40.49 for Oregon

Jim Edwards, another new face, another Edwards, we can use these people

David Zakarian, new, and swimming well

Mark Worden had a PR for 100 Free at 51.82, way to go

Bert Petersen had a 1:18.16 for 100 brst, not bad for a flyer

Wayne Baker is a comer, looking good

Joe Gamblin just keeps improving, this is what it's all about

Many fine swims a great meet , thanks again to MARK WORDEN and to ALL of his Corvallis people !!!!!

For publication in Oregon Master's Swimming:

We regret to announce the death of Harry Wedler. Harry died on September 18th doing what he loved best- swimming. Harry was 78.

Harry was active in Masters Swimming for nearly 25 years beginning in Chicago with one of the first organized teams in the country. He had to swim in a younger age group when he started because his boss was also a Masters Swimmer, and he had flied about his age at work. When he retired, he finally could quit swimming against those "youngsters". Harry was the Vice-President of our local group- WH₂OM. His idea of setting up a telephone tree for notifying members of meets and meetings has nearly tripled our membership. Though he hadn't competed in many meets lately, Harry was anxiously looking forward to our Nationals this summer. He wanted to put together the national record relay team he had been on at the last long course Nationals at Mt. Hood Community College.

Harry's enthusiasum for swimming and life in general was an inspiration to all of us. His motto was " You can do it!" In Harry's memory, we are starting an annual award for one of our club members whose enthusiasum and efforts towards swimming reflect Harry's " You can do it" attitude.

Harry, we will miss you!

Sincerely,

John DeJarnatt

1986 OREGON MASTERS

YOU MUST BE A REGISTERED MASTER TO SWIM IN MASTERS MEETS

By registering with Oregon Masters, you are joining an elite organization!

- Oregon has more Masters swimmers per capita than any other association in the world, and we're a friendly bunch too.
- Oregon has one of the highest renewal rates of any of the 50 associations - once a member, you'll love it.
- In 1985 we grew over 15% (one of the fastest growing associations). We have even greater plans for 1986!
- This year the Long Course National Championships will be held in Oregon (at Mt Hood Community College in August). Don't miss it.

OMS is a non-profit organization supported totally by volunteers. Officers are chosen by you in elections. Consult your tax advisor regarding your contribution.

Our monthly publication, AQUAMASTER, enables you to get final meet results and find out what's happening in Masters swimming. AQUAMASTER is the ONLY source of meet entry forms. For 50¢ a month your copy is delivered via first class mail.

Your registration fee enables OMS to provide you with:

1. Local meet support.
2. National representation of all Oregon Swimmers.
3. Promotion of Masters Swimming and social events.

\$3.25 of your \$10.00 registration is sent to the US Masters Swimming, Inc. (USMS) They provide insurance for you:

Personal accident when competing in OMS approved/sanctioned meet or practice session (\$50.00 deductible.)

Accidental death	\$10,000.00
Dismemberment	10,000.00
Accidental Medical Expenses	2,000.00

Liability for individual/organization/sponsor (\$250.00 deductible).

\$500,000.00	per combined single incident
50,000.00	property damage

Only the first 20 characters of your name will appear on heat sheets and results. **PLEASE PRINT**
We must have your last years' registration number for the national office.
