## BETWEEN THE LANE LINES

Come spend the weekend with us at the beautiful Oregon Coast when our growing central coast contingent hosts the October swim meet in Newport, Oregon. Newport is in the unenviable position of hosting the first meet following the customary September hiatus, so even if you are not in tip top shape, come show your support for the Newport group and participate in the meet. The last meet hosted by Newport was quite a success, and a weekend at the coast can be a lot of fun. The Newport entry is in this issue.

\*\*\*\*\*

The next bit of business is somewhat related to the Newport meet, but only if you wish to swim and are not registered for Oregon Masters Swimming. Since the USMS (parent organization) office considers Long Course Nationals the last meet of the season, they do not process registration applications after the entry deadline for Nationals. What this means is that it is too late to register for 1985/86, and the Newport meet technically takes place during the 1985/86 season (USMS season is from 11/1/85-10/31/86). Therein lies the problem; since you must be registered in order to swim at Newport (insurance purposes, you understand), you will have to have registered prior to Nationals in order to be eligible. Cheer up, though...The new registration year begins after October 31, in time to participate in the November Corvallis meet. A new registration form will be in the October issue of the Aqua-Master.

\*\*\*\*\*

Deadline for submitting material for the October issue of the Aqua-Master is September 26. Also, notice the address change for Aqua-Master Headquarters, which moved into a small post office box in Tualatin. It's been tough squeezing the furniture in there, and the view isn't terrific, but the rent was low and saving money is what it is all about, right? Later, we hope to be able to move into our dream home...a post office drawer in Tigard (That way, the children won't have to change schools).

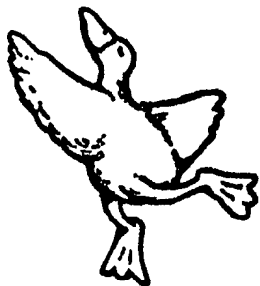

\*\*\*\*\*

Dad, can I borrow the car?

AQUA-MASTER

Andree Devine  
7800 SW Sagert #23  
Tualatin, OR 97062

Dear Oregon Masters,

I am writing to convey my appreciation for an exceptionally well-run USMS national championship meet. Meet directors Sandi Rousseau and Mike Popovich, committee chairpersons, meet officials, and all Oregon Masters who assisted with the meet should be proud of their efforts. The meet ran on schedule, the facility was great, and the hospitality was unmatched!

Dedicating the meet to the memory of Connie Wilson was a very appropriate gesture. As you are aware, Connie has been a positive, effective force at the national level of masters swimming for several years. We share your loss and will miss Connie very much.

On behalf of USMS, I wish to thank Oregon Masters for bidding on the 1986 USMS National Long Course Championships and then working diligently to make the meet such an outstanding success.

Sincerely,

*Gail M. Dummer*

OL' BARNACLE ..... (1)

Report on Region XII Championships held in Spokane, Washington, August 1, 2 & 3

I guess all of you or at least most of you were saving it all for Nationals, we certainly did not see many from ANYWHERE at the Regional meet.

It was great to see Dick Cooke from Snake River.

For those of you who remember 1977, Witter Pool is much much improved.

Sandi Rousseau came home with 3 golds (100 free, 100 and 200 Fly)

Karen Roach went for the gold and got it (50 & 200 Back, and the 50 Fly)

Wayne Baker had himself a fine 100 breast missing the record (1:32.39 vs 1:31.62), picking up golds in all 3 breast events.

Brian Langlais garnered the gold in the 50 fly, plus an Oregon record for the 800 free at 12:03.15

NATIONALS...NATIONALS...NATIONALS...NATIONALS...NATIONALS...NATIONALS...NATIONALS

The BIG ONE is over...and was it ever a BIG ONE !!!

OREGON sets new scoring record for the MEN !!! , where was TOC, certainly wish they had shown in "force"...

	Women	Men	Combined
1982	1.578	1.290(TOC)	3.140
1986 (Oregon)	1,305	1,514	3,129

OB tips his hat to PNA, they really upped their point scoring : 1593/2285 (comb)  
884/1058 (women) 556/987 (men)

TOP SIX TEAMS IN SCORING :	Combined	Women	Men
Oregon	3,129	1,305	1,514
Pacific Northwest	2,285	1,058	987
Walnut Creek	1,022	496	396
So. California	884	319	491
San Mateo Marlins	760	396	320
Inland Empire	573	325	210

SANDI ROUSSEAU : has disappeared, she and Tom must be at some secret hideout.  
Sandi, just the greatest meet ever, and not just in OB's mind,  
but this was the most often heard comment at poolside during  
and after the meet.

MARK HOKKANEN : A great great job, OMS can only say thanks, WELL DONE !!!

ROBERT SMITH : What a great job, everyone was constantly coming up with plaudits  
for our Robert, the little extras here and there made the heat  
sheets near perfect, the daily results, a "first", and as I write  
this, complete and final meet results are in production, WOW !!!

DICK PARKER ) Grand and glorious, smooth as silk, almost flawless (maybe it  
DON MEADOR ) was), these three people in key roles really did a job, in  
BOB HATHAWAY ) preplanning, as well as execution.

THE COMMITTEE : You are the folks that did it, you are the folks that deserve  
all of the accolades, flowers, toasts, whatever, WELL DONE !!!

Yes, 1986 Long Course Nationals are now history, it was fun, it was great, even  
Oregon weather came through, we are happy , we are proud , the rekindling of old  
friendships, the building of new ( OB will look forward to seeing Patrick Milson  
from Toronto again ) all of you everywhere, who came and swam with us, thank you,  
may your times improve, your lanes stay smooth, and the lane lines straight, most  
of all may you stay healthy and swim for years and years to come.

\*\*\*\*\*

Barnacle is very proud of all of you, the golds, the records, BUT mostly those  
of you who participated, and what I can see EVERYONE yes EVERYONE had PR's, and  
that is what OUR sport is all about.

We sorely missed : HARRY WEDLER, ART BRUGGER, DAWN MUSSELMANN, CONNIE WILSON and  
EDITH MCMASTERS.

We will take a couple of months off and then we will be back at it again, doing  
our best to dissuade any signs, and troubles of the years.

CONGRATULATIONS TO SANDI ROUSSEAU our Sandi , what a great job , THANKS !!!
