BETWEEN THE LANE LINES

PAC-10 WOMEN'S CHAMPIONSHIPS - The Tualatin Hills Swim Club and Oregon State University are hosting this year's PAC-10 Women's Championships at the Tualatin Hills Rec Center Pool in Beaverton on Feb 25, 26 & 27. Prelims begin daily at 11am and last 2-3 hours. Finals will start each day at 7pm. Here is a great chance to see Olympians in an Olympic year. There will be an admission charge for all sessions. A great way to secure a free, choice seat for the action is to come out and help. We are in the process of scheduling timers and ushers. There are still a few openings left. If you are interested in volunteering some time, call Virginia Johnson at 648-0288. Timers will need to dress in white. Hope to see you there. - Tom & Pam Himstreet, Meet Directors

OL' BARNACLE ... out of the wind and the rain at ... NEWPORT ...

Our meet director - Jim Wendall - greeted some 70 plus Masters swimmers, and yours truly wants to give a "tip o' the hat" to Jim and his fine crew.

T D and Ruth Hughes were on deck and doing what they do best, Rod Myrick was our starter, fellow swimmer, Bob Wienert was meet referee, Kathy Wendall and Faith Cole did a great job on the electronic timing, Carol Myrick handled the results, with Marguerite Rawie lending a hand on the officiating, plus the fine efforts, timing each lane, by members of the Newport Swim Team.

THANKS TO ALL OF YOU IT WAS A FUN MEET AND A GOOD ONE !!!

Our hosts not only have a fine pool but have added electronic timing since our last meet there, so with all this and "fast" water for some here we go ...

NATIONAL RECORD SETTERS ... (55-59) Lavelle Stoinoff turned 55 with a vengeance,

Lavelle Stoinoff

Lavelle received a bonus on the trip getting a "seniors" discount on her motel room and at Sizzlers, getting older is not all bad.

Herb, St Helens answer to the entire world,
did it again with a fine ...

Herb Eisenschmidt

400 I.M. (80-84) 8:54.17

Oregon's golden 65 ers are at it again, finally after much haggling they all agreed to try the 400 relays, presto, 2 national records ...

| Tom Roberts | Amy Youmans |
| Brad Thomas | Viola Fraser |
| Craig Jorgensen | Gail Kimberling |
| Kristen Melton | Gerry Huestis |

OB Extra - Gerry is the fella that taught Doug how to swim, Gerry is a former U of O swimming standout, with Gerry we have the finest 65 + Medley Relay team in the country.

DANIEL XAVIER BECKER

Star of Stars, what a baby !!!, all that attention, no wonder he is so nice and loveable. If OB had had that kind of attention, Art Smith never would have come up with the nickname -Ol' Barnacle - any hoo, while Susan Albright (immediate Past Vice Chair, now boss and editor of this "publication") and Mark Becker, also a past Vice-Chair (appears to be a lot of Vice there) were doing their thing in the pool, Daniel, in his OSU T-Shirt, was being passed from one ooling and ahing female to another, he finally managed to get some sleep doing the impromptu board meeting, which is as good a place as any to get some shut eye. All kidding aside, Daniel is a gem !!!!

OREGON ASSOCIATION RECORD SETTERS :

Margaret Yadon (65-69) 200 free - 4:46.68 and the 200 back - 4:36.81

Helena Hoffman (70-74) 50 fly - 1:42.78

OL' BARN ... reports from Newport (cont)

A phone call at dinner tonight jarred OB right out of his shorts ... guess what, some of you out there are obviously not reading this column ... for shame ... anytime one of my old (maybe that's the problem) calls to tell me that he made the USMS TOP TEN, in early January, when we covered that bit of news way back in early November ... pshaw ... and I thought all you folks read this (I call it a column) each and every month.

SANDBAGGERS... beware ... the committee was busy, and notes were taken ;

Shari Morris and Susan Albright were neck and neck until it was noticed that a 5 minute lag was used in the 1650, Susan gets the nod over Shari

Robert Smith and Bert Petersen were neck and neck for "man of the hour" awards until it was noted Robert did a 23.31 for 50 free with a 40 seed. That is a really big bag of sand !!!

Vern Dasch ... great to see him back in the swim of things ... appears to be getting in shape and aiming at some fine times.

Even Evensen ... really happy to see this fine swimmer back and looking sharp.

Bob Wienert had some fine swims, topped with a 2:16 for the 200 free.

Doug White, John Walkky and John Zell had a great race in the 1650 (30-34), with Zell winning it in 19:25.64 (Walkky-19:36.31, White-19:59.58)

Bob Wienert edged Dan Gray (1650-40-44) Bob - 21:53.75, Dan 22:22.82)

Petey Smith was definitely not sandbagging , entered the 50 back at 47.00 , and did a 47.00 !!!

Beverly Underwood had to have a PR in the 100 brst, entered 3:10 swam 2:20.72

Jess Hickerson and Steve Slover had a good one in the 100 brst (35-39) with Jess in at 1:14.44 and Steve at 1:14.79(ditto the 100 I.M.)

Sandi Rousseau has come out of retirement in a brand new age group - (40-44)

Amy Youmans stayed right with Shari Morris in the 100 I.M.(1:25.32 vs 1:24.20)

Dan Gray prevailed over Steve Simpson in the 100 IM(40-44) 1:18.04 vs 1:18.63

Brad Thomas from Lincoln City got off to a great start in OMS with a fine 400 IM in 4:55.87. Brad has started a regular Masters program in LC.

Gail Kimberling, Libby Niedermeyer, Kristen Melton and Lissa Parker, all from Lincoln City, teamed up and won both the 19 + relays.

Sharon Bricker won the 50 free (30-34) with a fine PR, way to swim Sharon.

Viola Fraser (70-74) swam a PR in the 50 free at 1:00.31

OOPS - Libby Niedermeyer is from MAC, swam a 1:20 (100 free) w/ a seed at 1:50

Monika Hunscher had a PR for the 1650 , fine time of 24:12.23

Petey Smith's fine 1650 in 27:10.26 moves her up to a 6th - TT , and is a PR, 1986 - 28:39.92 , now growing old in style !!!

THANKS AGAIN TO ALL OF YOU FINE PEOPLE AT NEWPORT ... GOOD SHOW !!!

from the December issue of The Olympian ... swimming, not Masters ...

Janet Evans, 15 years old, 5'3", 95 pounds from Placentia, CA , set world records in the 800 and 1500 m free at LC Nationals. First time an American woman has broken a world record in 6 years !!!

Amy Shaw, high school junior from Mission Viejo set her first American record in the 200 m breast, and became the first American woman to go under 2:30, winning the event in the Pan Pacific meet in Brisbane, Aust.

The above is certainly good news for this Olympic year

Roy Abramowitz, beloved Treasurer and fellow swimmer, will be out of commission for a few weeks due to a shoulder injury suffered during a skiing accident. We wish him a speedy recovery. This does, however, give you 30-34 year old males a "break" at upcoming meets.

Many of you may remember Susan Rittenhouse who used to swim with us in Oregon Masters. We were sorry to hear about the loss of her younger son in a motorcycle accident a few weeks ago. Our thoughts are with you.

If anyone knows of a Masters Swimmer who needs a little "sunshine" please call our Sunshine person, Luella Petersen, at 252-6081.

OZGOOD'S GOGGLE GOSSIP

Whatsamatta you!

Ozgood's back in circulation - watch out, OMSsters. Ozgood's nerves are frazzled from too much holiday cheer - not to mention the liver and pancreas and a few other vital organs. Time to think serious again as championship meets begin to rear their ugly heads. Thanks to Bruce and his Mac Plus - (like to meet that kid someday) - we could tell which lucky OMSsters aged up in 1987. There were a bunch of biggies including our former intrepid leader Sandi R. who was recently surprised by a group of fellow chocolate revelers who threw a party in Hershey's honor. Ozgood's hospital watch reports that Don S., Martha K. and Sunshine Luella P. are all doing fine. Keep up the ol' OMS fight. The recent Grant's Pass meet capped off a fine bit of early season Southern Oregon hospitality. Glad to see all you great folks down there contributing to the strength of this program. 1987 ended up with quite a wimperless bang for many at the Portland State meet. Nice, fast pool but Ozgood was getting quite dizzy watching the starting blocks being lifted out and back in again. A whole pile of records fell in this meters meet. That ought to keep Ol' Barny out of trouble. Fine swims by Dick B. and Dan J. in the always gruelling 400 I.M. and Dick B., Mike J. and Nancy D. in the 1500. Solid swims by Barbara H., Terry McC. and Kathy C. throughout. Who the heck is Robert Smith? A heckuva 100 backstroker, that's who. Does Ginger P. lack imagination? Are MAC (Portland's version of Club Med) swimmers really fun, fit and feisty? Darlene S. gets the sand-bagger award of the meet for really pushing Barbara H. and Elfie S. in the 200 I.M. To Roy A. and Floyd E.: goggle wearing lessons will be offered shortly. Please mark your calendars. A big OMS welcome to all you new folks (marked "W" in the heat sheet) who braved the December weather such as Helena H., Jeroen K. and Joanna O. Come along, have some fun and stay a while.

Swim great in '88!

Welcome back Ozgood! I know you wanted this in the January issue but you missed the deadline. Be sure to send your column to Susan Albright. -Thanks

LETTERS TO THE EDITOR

Dear Editor,

As an Oregon swimmer I was disturbed by the January 01' Barn Special which compared 35-39 Men Oregon records with National records. At least 4 or about 25% of the current Oregon records are held by swimmers who do not and never have lived in the Oregon LMSC boundaries. Essentially, these men were recruited to join the Oregon team by Oregon women who wanted faster mixed relays at National Championships.

As a consequence of this recruitment, the times these guys did come home to roost in the Oregon record books.

Take the case of Jerry Chase. Jerry lives in New Jersey, he has never lived, paid taxes or swum in Oregon. I don't think he has ever seen Oregon! I'll bet he has discouraged many Oregon men by his 3 fast records in the Oregon record book. Jerry and another male swimmer recruited from out of state, (who never comes to local Oregon meets), teamed with two Oregon women to currently hold a very fast Oregon relay record.

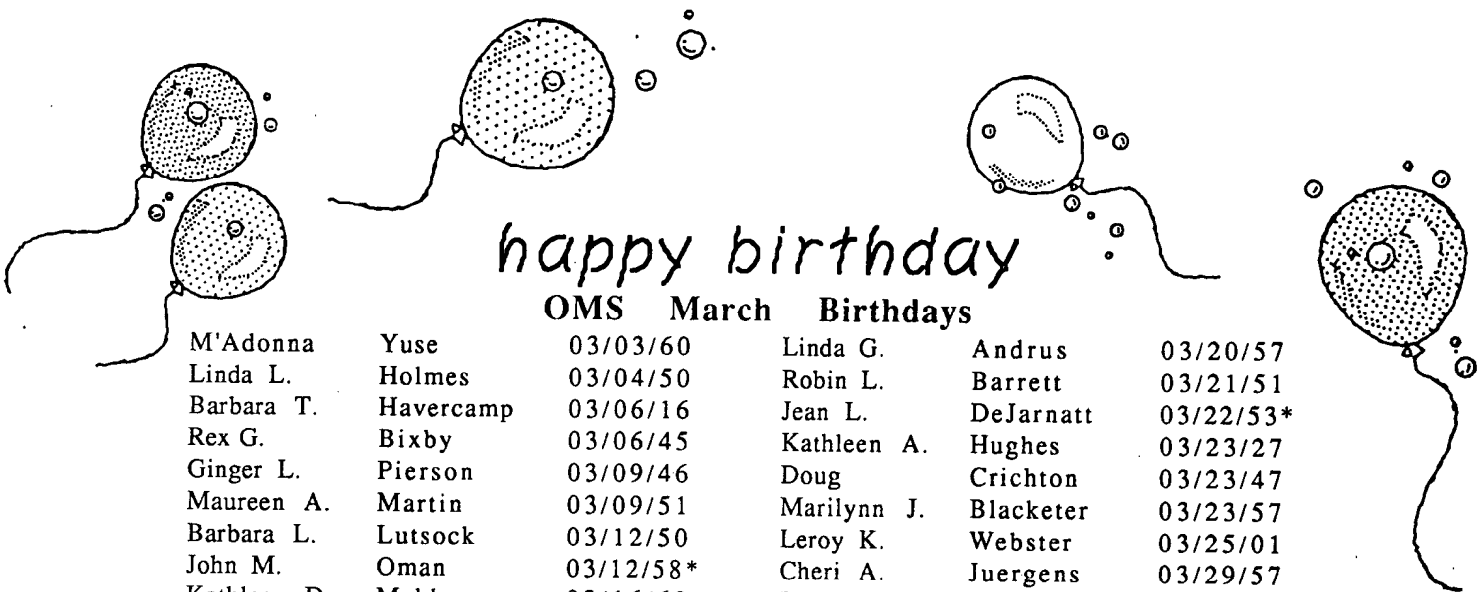

I don't think this is right. I have brought this before the OMS board several times and I have been silenced based upon the fact that some other clubs in the nation recruit swimmers from out of their district. But do they also allow these recruits into their local record books?

Perhaps its time for another vote by the Oregon board. In the meantime, I urge all Oregonians to vote their conscience and boycott any Oregon relay which contain out of the area "ringers".

We can be proud of 99% of our Oregon records. The 1% non-homegrown records suggest a touch of greed we don't need.

Robert Smith

A message from your chairman.

Dear friends:

I recently requested educational information regarding the AIDS virus and other diseases from our national office.

I have spent several days perusing a thick stack of papers sent to me by our medical people.

It seems that we swimmers are blessed with participating in a sport whose environment (chlorinated water) is deadly to nearly all diseases. Apparently, as long as we avoid intravenous drugs, contaminated blood and sexual contact with infected persons, we should be in no danger just through swimming.

So . . . enjoy your pool and don't forget to thank your chlorinator!

Bert

"It is important to stress that the AIDS virus is *not* spread by casual contact. You won't get AIDS from being coughed on or sneezed on; shaking hands with or hugging an AIDS patient; eating food prepared or served by someone infected with the virus; using public toilet facilities, telephones, or swimming pools; or sharing an office with an infected person. Scientists have not found a single instance in which the AIDS virus has been transmitted through ordinary nonsexual contact in a family, work, or social setting."

- From AIDS, Sex and You, a brochure published by
the American Red Cross & the US Public Health Service

For those of you who attend swim meets you may have noticed that warm-ups at the meets can be fairly crowded. In order to help avoid potentially dangerous situations Oregon Swimming, Inc. (our officials' organization) has come up with safety guidelines and warm-up procedures for meets. Below is a summary of those guidelines which apply to masters meets. Please read them carefully and remember to listen to the officials' instructions at each meet.

WARM-UP PROCEDURES:

General Warm-up (First 30 minutes)

- NO DIVING or BACKSTROKE STARTS allowed from the blocks or edge of pool. Swimmers must enter the pool feet first.
- No sprinting allowed during this general warm-up session.
- All lanes are to be used for general warm-up.

Specific Warm-up (Last 30 minutes)

- Sprint Lanes: These lanes are designated at the meet by the officials and are to be used for starts & sprints only. Dive in, swim to the opposite end and get out or swim back in a general warm-up lane. Do not circle swim in this lane.
- General Warm-up Lanes: These lanes are designated at the meet by the officials and are to be used for circle swimming only. No diving or backstroke starts.

SAFETY GUIDELINES:

- Please exit the pool on completion of your warm-up to allow other swimmers adequate warm-up time.
 - Warm-up procedures shall be enforced for any scheduled breaks during the meet.

A big TIP O' the HAT to this great bunch for just about the finest showing ever for OMS, away from home.

A parting note, times that are announced as records are based on the records as of the DATE OF THAT MEET.

an OL BARN extra ...

over the years the U of O has had many many All-Americans in swimming, however in the entire history at Oregon there have only been three (3) three time winners of this highest honor in collegiate swimming ...

Two of these fine swimmers are representing Oregon Masters ...

DICK BOYD of Gresham, a great freestyler, 1963, 1964, and 1965

MIKE DIRKSEN of Creswell, great breaststroker, 1969, 1970, and 1971

1987 - NATIONAL LONG COURSE TOP TEN

A total of 27 individuals and 7 relay teams made the promised land for 1987, there is no question but what it gets tougher each and every year, the quality of Masters swimming, at the local level, and at the national level so far exceeds previous years it has become almost redundant to write or talk about it. The current issue of SWIM features a story on Kelley Lemmon, who turned 75 last May, Lemmon's regimen includes 4-5000 yards 5 times per week plus one hour of weight lifting 3 times a week.

The Oregon Association produced 4 All Americans in individual events plus 3 relay teams rated # 1, two of these set national records, which in all probability will be world marks when the World Top Ten is announced in a couple of months.

Herb Eisenschmidt

Herb had his greatest season by far, gathering up a total of 10 places, with 7 # 1's, 2-2's and 1-3rd. Setting 3 new world records along the way, plus beating out arch rivals in the 400 free and 200 back.

Lavelle Stoinoff

Lavelle finished out her career as a 50-54'er with 12 TT places, 4 of which were # 1's, 3-2nds and 2 - 3rds. In the process she set 2 new world records to go with 1 she already had for a total of 3 world records.

Ginger Pierson

Ginger who holds all 3 of the world breast stroke records, branched out and showed her versatility with 2 # 1's, placed in the top 5 in all fly events, and a # 4 in the 400 IM, plus a 6th & 7th in the backstroke.

Don Stevenson

FIRST TIME - ALL AMERICAN and most deserving, Don has won more national and world golds than most anyone, but in the ratings he has always wound up # 2 and # 3, not anymore, Don picked off the top rankings for the 100/200 back, add 2nds for the 200 brst, 200 fly and 200/400 IM, a 3rd in the 50 back, 7th 400 free/10th-50 brst

- Bob Morrison gained 4 places, his best show, topped with a 4th in the 50 breast.

For those of you planning to go to Brisbane, the 1988 Long Course Top Ten will be held open through the World Championships.

A sidelight on Masters improvement, in '86 yours truly swam a 7:36 for a 3rd, in 1987, improved to a 7:24 and placed 4th, AND, it won't get any easier !!!

It is fun though to beat old Father Time, just once in a while, you might not be able to win forever, but it sure is fun trying !!!

SWIMMERS PLEASE READ THIS, AND FOLLOW THE RULES WHEN YOU ORGANIZE A RELAY TEAM

There are two ways to make up relay teams ... YARDS and Short & Long Course Meters

YARDS - the youngest person on your team determines your age group, then you fit in one of the following ; 19 +, 25 +, 35 +, 45 +, 55 +, 65 +, 75 + .

Do not add up your ages for yards, your swimmers set your teams age !!!

METERS - Here you can MIX all ages, then you add up the total ages, called the cumulative method, total of all ages of the four members of your team, you then fit into - 76+, 100+, 120+, 160+, 200+, 240+, and 280+ !!!

PLEASE for YARDS you set your age group with the age of the youngest on your team-
for METERS you add up the four ages of your team and there is your group !
