**** TEAM O.M.S. & TEAM M.A.C. -- TARGET MEET OF 1992**

Z-Man says---

Well folks, the long course season is staring us in the face. In order to accomplish what we hope to at Federal Way in August, we have some hard work ahead of us. And to quote the Schonz, "Nobody said it was going to be easy." In a matter of three short months some serious swimming and final planning must get underway.

By the time you read this issue, you should have received the special mailing of the brochure for Nationals in Federal Way. You've had some time to look it over thoroughly and start making plans, right?

"Nobody said it was going to be easy", You have studied the order of events and picked all the things you

Bill Schonely, radio voice of The Portland Trailblazers.

want to swim. I know you, all too well. You've got it all figured out by now. Am I right??

I'm sure you read the special cover letter that came with the Nationals brochure. I must remind you of the important issues that you need to be aware of and working on. If you are planning on attending Nationals, then it is a good idea to **BOOK RESERVATIONS NOW FOR LODGING**. The best and most popular places may be full by now. Look over the list of places in the brochure and get on the phone. If you want to be part of a relay you need to **SEND IN THE FORM FOR NATIONALS RELAYS A.S.A.P.** Sometime around the 1st of July we will begin the final planning for early registration of relay teams. We will be looking at a number of relay team possibilities and also arranging alternates.

Where are you with your training plans for the season? Are you in fair, good, or excellent shape? Or are you out of it and embarrassed? Hopefully you are in some sort of shape. If your out, then you know that substantial progress can be accomplished in just three months. We'll be devoting quite a bit to Nationals in the next two issues of the Aquamaster, so stay tuned.

In this month's issue, we bring you the results and review of our Association Championships held in Ashland. The Rogue Valley Masters did their usual outstanding job in the organization and hospitality

category. I can't remember a party/banquet that well attended and more fun. Hey people of the Rogue Valley, you did yourself proud and put on yet another weekend to remember. Thanks for all your hard work.

In terms of the team competition, one era may have ended and a new one begun that weekend in Ashland. I guess only time will tell. One thing is for sure, there will be no rest for those who lead the respective groups. Next year will be very interesting and more competitive.

Speaking of teams, I was very impressed with the MAC Club turnout and performance at Lewis and Clark a few weeks ago at the N.W. Zone Champs. But I can't get too far ahead of myself. We'll have all the results and details about Zone Champs next month. Also next month we will have the results from the Tigard "Swim the Gap" meet, a story about a few OMS swimmers who went to Duncan, B.C., and a report from the "Swim-a-lap" program.

This issue, you will find all the entry forms for this season's long course meets. You will not want to miss out on the opportunity to swim in Federal Way on June 20th.

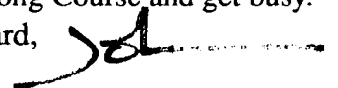

I certainly **"What an excellent chance to try some of the events you will swim in August"** hope to see a n outstanding turnout by

OMS members who plan on competing at Nationals. Please read that entry form over thoroughly for all the details, pick your events wisely, and get your entry in early. What an excellent chance to try some of the events you will swim in August. Attending this meet will be great for your overall Nationals training plans and an ideal situation for practicing prerace visualization.

In July you will need to remember to pack the sun-tan lotion because we have two meets outdoors at Mt. Hood Community College. Don't forget the lawn chairs, thongs, water bottles, and cheap sun glasses. We'll want to definately test drive any or all relay possibilities at these meets. So, all you swimmers and coaches, start thinking about possible Nationals relays to assemble for State Games and the Nationals Warm-up meet.

That's it for now. Think Long Course and get busy.

Practicing hard,

ATTENTION SWIMMERS

SOUTHERN OREGON LAKE SWIM

Rogue Valley Masters are preparing to hold the eighth annual Southern Oregon Lake Swim July 18, 1992. We would like to inform you of a few IMPORTANT details

Southern Oregon is still in a drought (some could call it severe). Our water conditions are not the greatest. At present there is water for the lake swim. Should conditions worsen it is possible the event will be cancelled. RVM will make the final determination on Friday, July 10th a week before the swim. Entrants will be notified by phone if the event is CANCELLED.

PRAY FOR RAIN !!!

CAMPING

The group campground is not available to us this year. There are 10 sites reserved for our swim club. The intent is to turn the area into a group campsite. If you want to reserve one of these spaces call Ray or Alfie Ortega directly at Willow Lake. If none are left, like last year, , we doubled up. There will be a gas barbecue grill available for your use so just fill the cooler, grab your tent and sleeping bag (don't forget the air mattress), lawn chairs and guitars for a fun filled weekend. The campsites are reserved for Friday and Saturday nights.

For those making it a family camp weekend there will be a 4 hour raft trip on the Upper Rogue River on Sunday.. This is an easy section with enough waves to get wet, but safe for the whole family. We have boats, just bring a lunch and life jackets. (locally rentable).

As with last year, this is a weekend for fun, family, and friends.

Please join us!.

To the Editor,

I find it necessary to respond to Dr. Sprint's article in the March Aquamaster regarding officials at the Pentathlon. Having worked with Dr. Sprint for the past several years in Oregon Masters, I know his article was written "tongue in cheek" to a certain extent. Dr. Sprint could also be called "Dr. Rest" because of his tradition of commenting yearly on the amount of rest he does not get during the Pentathlon! Faking a heart attack to get more rest wouldn't be beyond Dr. Sprint's tactics!

I am more concerned regarding his comments about the officials. Anyone who doesn't know Dr. Sprint's sense of humor may not realize that all of us in Oregon Masters realize just how lucky we are to have many top notch and willing officials in our state. Having attended several U.S. Aquatic Sports conventions and comparing notes with Masters swimmers from all over the United States, Oregon Masters is indeed privileged to have the availability of many officials who are willing to volunteer their time to our program. We enjoy the camaraderie with them and hope they enjoy us as well.

The inference in Dr. Sprint's article that the meet may have been "over officiated" and swimmers disqualified when it was not warranted is just not true; and Oregon Masters swimmers who do not work closely with the Oregon Masters Board and our officials need to know this! Oregon Masters should not get by with cheating on the strokes, and he/she should be disqualified in our local meets to ensure his/her understanding of the rules prior to Regional and National meets. It is common knowledge that there are numerous Masters swimmers who will try to take advantage of the lack of an official at the end of the pool; so better to have more than less!

We want our officials to know that we are not only privileged but also proud to associate with them!

Sandi Rousseau
Past O.M.S. Chairman

Dear Aqua-Master Editor,

I finally wrote an article that got a lot of feedback. At last count, evidence shows that 11 people actually read the March issue of "DR SPRINT". Add to that the silent majority readers and we get a bunch of readers.

Unfortunately, many people didn't like the article. They felt that I was abusing our swimming officials. If true, this was unintentional. I'm proud of all our officials and greatly appreciate their efforts.

Thanks to all of you who read my article and I apologize for any misunderstanding.

Robert Smith

To the Editor,

This letter is in response to the Pentathlon Analysis column published in the March issue of Aquamaster. I am referring specifically to the comments made by Robert Smith (a.k.a. Dr. Sprint) regarding the officials at the Tualatin Hills Pentathlon. Regardless of his intentions, he made a few comments which I feel were inappropriate and require a reply.

I acted as meet director for the Pentathlon and was anxious to organize a smooth-running meet, especially since it was my first effort in such a position. I am fortunate to know several Oregon officials and those I contacted to work the meet were more than willing to help out. I was not trying to compile a "who's who of swimming officials." True, some of the officials who walked the deck have experience on the national and/or international level. But to suggest that "when eagles gather, the competition among officials magnifies," as stated by Dr. Sprint, is outrageous. I interpreted this to mean Dr. Sprint felt the officials were trying to outdo one another. No one likes to be disqualified, but I for one, would much rather learn from my mistakes, than be DQ'd at the regional or national level. I also thought the whole point in having officials was to make competition fair among all participants.

I would also like to refer to the number of "high powered eyes watching six swimmers." Monitoring the six lanes were two officials on either end of the pool, which means three lanes per official. A reasonable ratio. I recall complaints concerning too few officials at a meet earlier this year. Maybe Dr. Sprint would like to tell us exactly what the proper ratio of officials at a meet should be. Keep in mind, however that at state, regional, or national meet one might find one stroke and turn official per lane at each end of the pool. I guess, Dr. Sprint, that is too many?

I think we, as Oregon Masters Swimmers, should count ourselves lucky that we have such good quality, high caliber officials who are willing to spend their free time to make swimming better for all those who participate. It is important to remember these people are volunteers, who out of sheer love of swimming, support Oregon Masters. They deserve a great deal of thanks, and our continuing support.

Lisa Davis
Vice-President, Tualatin Hills Barracudas

To all who read the Aquamaster,
As your editor, I have learned a number of things through all of this "Dr. Sprint & Officials" thing. I look forward to reading Bob's columns before publishing and *I must remind all of you* that his column is the words and opinions of one man and not necessarily the feelings of the Board of Directors of O.M.S.. Bob Smith, like all of you and me (all Masters swimmers everywhere) are uniquely individual and opinionated people with lots of different thoughts. Many of them MAY be controversial at times but this is what our country is all about...freedom of expression. I feel it is my job to bring you the news, feelings, and opinions of contributors. I will exercise my editing power when necessary. We have I feel the best Masters swimming newsletter in the land, I'm glad to see that it's being read, and I openly except contributions of all types ANYTIME. All YOU got to do is get out of the pool and write. Z-Man
