"Swimming - A Life's Passion"

Allen Stark Impresses at Clinic

The Three Cardinal Rules of Swimming

- 1. Swim like a stick turn like a ball.
- 2. Practice your
 weaknesses swim your
 strengths.
- 3. You have to swim fast to swim fast.

Allen Stark, Oregon's great breaststroker, left the swimmers wanting more at his Clinic. Allen had just returned from the USMS Training Camp at the Olympic Training site in Colorado Springs. He related the Rules and Physics of Swimming to all of the strokes, starts and turns. Thanks Allen!

Tom Landis, a USMS Swimmer of 2002

SWIM Magazine, May/June 2003: The latest edition of SWIM Magazine recognizes the top 6 Female and Male USMS swimmers for 2002. Tom Landis, of the COMA Swim Team was recognized as one the top six male swimmers for 2002.

Tom had 13 number one rankings in 2002, 6 National Records and a World Record. SWIM Magazine stated: "Perhaps Landis' most impressive feat of all, though, is that all of his performances came while wearing a traditional racing suit and not one of the new technology suits." That's our Tom! As he told the Aqua Master Editor, (a rough paraphrase), "It's man against the elements, I do not want artificial help. I want to see how fast I can swim on my own." Tom you did it! You swam very fast on your own and Oregon is very proud of you.

Tom, shaved down for Nationals

BOARD MEMBERSHIP
From time to time Board positions become vacant. Vacancies will be posted on the OMS web site until filled and an e-mail notice will be sent to OMS members who have provided their e-mail address with their registration.

tion. The Board prefers to have a list of individuals who are interested in becoming involved. If you'd like to become more involved please send an e-mail to the Board Chair indicating your interest. For a list of all board positions, basic responsibilities and frequency of meetings please visit "Become Involved" at www.swimoregon.org. Oregon Masters welcomes and encourages participation from all areas of the State.

Live High, Train Low

Have you heard of Nike's "The Oregon Project", taking place here in Oregon in northwest Portland? It is home for 6 of America's elite, potential Olympic marathoners. What is so special about it? The whole concept is one contrived of 'science'—live high, train low; altitude being the advantage. They live in a house that is specially constructed so that the athletes sleep in a manmade environment that simulates being at 12,000 feet and obviously, they train at sea level in Portland.

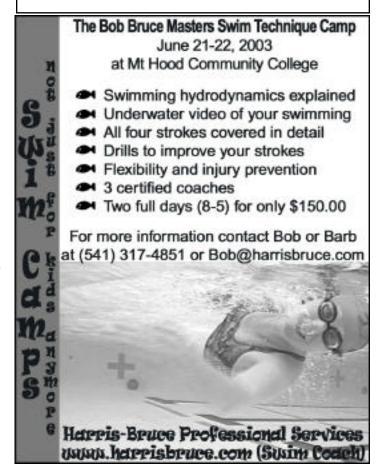

Alberto Salazar, a long time Nike employee and short-time marathoner, is the coach. The other person paramount in this project is Nike VPTom Clarke, also a marathon veteran who has a doctorate in biomechanics. The science of this project is that high altitude shows increased production of red blood cells: oxygen-carrying blood cells. While sleeping and living at high altitude the human body must adjust to the demands of increased oxygen carrying cells, feeling sluggish and struggling to breathe at times. Then when these marathoners step outside and run through Forest Park at sea level they have an incredibly high oxygen-carrying capacity that should help decrease time to fatigue and potentially improve performance. There are a myriad of other fancy gizmos, computers and futuristic technology in this special house – all in the name of science and technology, trying to create the ultimate athlete. "The company's goal is clear: use technology to counter the increasing domination of African runners, many of whom where born at and train at altitude". "The rest of the world has gotten faster, and Americans have gotten slower" says Salazar. "Our methods have gone awry."

As swimmers, what do we think about this? The range of masters swimmers goes from purely recreational, a daily workout, the swim in the next triathlon, the English Channel or Masters Nationals. But what do YOU think about this? These 6 athletes have NO expenses – NONE, plus they get all the gear they could ever want in addition to an undisclosed stipend from Nike. Now what do you think? Should we quit our day jobs?

Some of you have been to the Olympic Training Center in Colorado – how did it feel to swim when you arrived? Or, recall when you went to the mountain states for vacation, or work – did you notice being a little out of breath participating in activities; how did you sleep? What was your energy level like?

This is a very interesting subject, directly related to fitness. Like many "fads" is this one of them? Will we see special high altitude tents being sold on TV so that everyone can have one? Do you know someone using an altitude tent? We are interested in your feedback! Tell us what you think!!!

Swim Camp for Masters

LONG DISTANCE SWIMMING

BOB BRUCE - LONG DISTANCE CHAIR

Camping is always one of the great features of the Oregon open water season, and this year promises to be no different. Here is the camping information for all four venues:

- 1. Southern Oregon Swim Carnival at Applegate Lake (July 19 & 20): Forest Service cutbacks have dictated changes from past Applegate Lake camping. There will be very limited camping at the lake, with just a few Hartish Park sites available that may fit two or three tents. They can be reserved by calling Dan Gray at 541-890-5483, with priority given to those willing to have two or three tents. For a map, send SASE to Dan Gray, 659 Clay St, Ashland 97520. The USFS hopes to have a concessionaire operation this summer, which may make it possible to reserve more self-contained units by the docks. There will be some parking lot camping for self-contained vehicles. These sites can be paid for upon entry to the park for a \$10 fee that will also include day use. RVM has reserved Beaver Sulfur C.G. (Sat night only), which has ten sites and is equipped with privies, drinking water, tables and a beautiful creek. Follow Upper Applegate Road past Star Ranger Station 2.5 miles, take left turn on Rd#20 (paved) and follow another 2-3 miles. A site here—some of which can fit more than one tent—can be reserved by including \$6.00 with your entry on a first-come first-served basis. Other options include a few boat-in campsites located on the lake, Flumet C.G. on the Hwy to the lake (about 3 miles from Star Ranger Station), and Watkins C.G. (at the far end of the lake), all open on a first-come first-served basis. French Gulch C.G. across the dam is not in service.
- 2. Cascade Lakes Swim Festival at Elk Lake (July 26 & 27): COMAhas reserved the Little Fawn Group Site for swimmers, and you may pay for camping with your entry fee. The Group Camp is a large area designed to hold 50 campers & 30 cars (small motor homes too), in which you may make each site a "group site" for your team. Please welcome out-of-state swimmers into your camping area. COMA will have a Camp Host on site to help you find your team and get settled in. Dogs are allowed in the campground—always on a leash of 6 feet or less—but not at the race site. Due to new fire regulations, only six cars may park at the Beach Day Use Area (race site), and these spots will go only to selected meet personnel who are bringing heavy equipment and food. Therefore, the Group Camp will be used for race parking, so please plan to park at the campground even if you are not camping. There will be a shuttle to the race site during registration hours and

after the lunch & awards.

- 3. Timothy Lake (August 10): The race will be run from the day-use area nearest the Hoodview campground. PMS has reserved the few available campsites there for meet organizers, but there are many campsites nearby that take reservations, including Gone Creek, Oak Fork, & Pine Point. Camping specifics for Timothy Lake: http://ptopia.com/mthood/hoodcampchart.html#anchor1111 36. Make reservations through the National Recreation Reservation Service at http://www.ReserveUSA.com (Customer Service 1-888-448-1474) as soon as possible! Each site can have a maximum of 6 people, and the cost is \$14 per night plus a \$9 processing fee for each reservation. Each site can have one vehicle at no cost, and one additional vehicle for \$7. Check-in and check-out are 2pm. Some sites allow RVs up to 45 ft. There are walk-in campsites on a first-come first-serve basis at Meditation Point & North Arm campgrounds. Camping outside of designated campgrounds is also allowed. If you decide to simply pitch a tent, please follow the U.S. Forest Service guidelines. Camp at least 100 ft from a road, trail, or designated use area, away from water to minimize chance of polluting, and minimize disruption of vegetation.
- 4. Dorena Lake (August 17): Camping at Dorena lake is at Group Site B in Schwarz Park, just below the dam that creates the lake. The site can hold 20 vehicles & 40 tents, has flush toilets & showers, and is only four miles from Cottage Grove & two miles from the race site. You may reserve additional single family sites at Schwarz Park by calling NRRS at 1-877-444-6777. Please call Debra George if you wish to stay in the group site (541-693-5758), costing \$5.00 per tent and paid with your registration. Dogs are allowed in the campground—always on a leash of 6 feet or less—but not at the race site. At 2:00pm on Saturday afternoon Steve Johnson lead a swimming expedition to Oregon's best swimming hole—Wildwood Falls, featuring waterfalls, cliffs, a natural spa and an underwater cave—from the camp site (It's a 20-minute trip). There is an additional campground at Baker Bay directly across the lake from the race site that has single camp sites, is on the lake, and has a boat ramp. Call 541-942-7669 for reservations there.
- 5. Alas, the Columbia River Relay has been cancelled, so we will not be camping collectively this weekend. Good luck and good swimming!

Oregon Masters Swimming: Away-From-Home Info for Postal Swims

Purpose: The 5K & 10K National Postal Swims require a 50-meter pool. The Away-From-Home Postal Swim Program schedules 50-meter pools so that all Oregon swimmers have an opportunity to participate in these great fitness events. Many thanks to our local coaches & team reps who have secured the use of their pools to make this schedule possible. If you would like to include a swim date for your 50-meter pool, contact Long Distance Chair Bob Bruce at 61200 Parrell Rd., Bend, OR 97702 or 541/317-4851 or bobbruce13@attglobal.net.

Rules: USMS Postal Rules apply. Currently registered USMS swimmers only. Show up on time ready to swim. First-come first-served. Swimmer must provide someone 12 or older to count laps & record splits. Events are usually run 2-per-lane side-by-side, and possibly in heats.

Pool Fee: These vary depending upon pool rental & lifeguard arrangements, and are listed for each swim. Pay the Meet Host before swimming. Exact change required.

Schedule: We are also looking for other dates later in the summer.

<u>Tualatin Hills Rec Center</u> , 15707 SW Walker Rd., Beaverton. Date: Sunday, June 8. Event: 5K or 10K. Swim starts at 6:00am. Pool fee: Free for Tualatin Hills Barracudas; \$10.00 otherwise. Host: Barracudas.
Mt. Hood Community College, 26000 Stark St., Gresham. Sunday, June 22. Event: 5K or 10K. Warm-up 1:30pm; swim starts at 2:00pm. Pool fee: Free if enrolled in Bob Bruce Swim Camp that weekend; \$10.00
otherwise. Host: Bob Bruce.
Amazon Pool, 2600 Hilyard St., South Eugene. Dates to be announced. Event: 5K or 10K. Warm-up 7:30am; swim starts at 8:00. Pool fee: Free for Emerald Aquatics; \$10.00 otherwise. Host: Steve Johnson.

National Postal Events: Follow the instructions on the entry & split sheet to enter the National Postal events. This is highly recommended! You can use these postal swims to help prepare you for the open water season, and score points for your Oregon team at the same time. Oregon Club swimmers: let's defend our 10K National Team Title, and reclaim the 5K title that we won in 2001 but slipped away last year!

Sybil Fisher, "The Nutter Who ..."

The Nutter who wants to swim the Ditch. That has become a nickname since I've decided to take on the ultimate open water challenge, The English Channel, this August. I've been training for 16 months with the specific goal of swimming from Dover, England to Calais, France in a solo attempt. I've put on 40-pounds to increase my body fat percentage to 30% since the powers that be do not allow wetsuits in the Channel and the water is quite chilly (58deg. on average). Wetsuits are considered cheating. The most common reason for failure is hypothermia with a 1/6-success ratio for solo swims, so I'm banking on the blubber layer and the cold water acclimation to keep my core temperature normal. The distance is 23 miles and if Mother Nature and the shipping lane powers that be are on my side, I hope to swim it in less than 12 hours. My coach, Andrew Soracco, has been working with me for over a year. We have altered my stroke to increase

my stroke rate and use more core strength to decrease the tension on my shoulders. I'm training six days a week and chomping at the bit for the Columbia River to warm up to at least 55deg. so I can swim outside. I've grown to hate pool walls!

Swimming the English Channel has been on my list of "things I want to do before I die" since I was a little girl. I decided to take my dream seriously two years ago, inspired part by the Gaffney relay, as well as in spite of my new diagnosis of chronic asthma. I wanted this dangerous swim to be more than just about me reaching a goal. I hope to bring greater awareness and understanding of asthma and most importantly to educate people that asthma can be managed. I am out to prove that people with asthma can live wisely and reach even their wildest dreams.

Congratulations and thanks to Columbia Gorge Masters and their Coach, Shelly Rawding for the great SCY Zone meet. With Shelly as Meet Director and many dedicated workers, the meet was a real success. This was the first Masters Meet in Hood River and OMS is looking forward to many more.

Don't Miss the Eugene Sports Festival! Saturday, July 19th

Take a look at the summer calendar it is jam-packed. There are even two weekends where there is both an open water event and pool meet. Sometimes you have to choose, but the Eugene Sports Festival and the Applegate Lake swim can be combined for a great swimming weekend. The Eugene Sports Festival is one of those pool meets that can easily be overlooked, but to do that would deny you the experience of one of the best, low-key, fun events of the summer.

There has been a group going for years that would not miss it. The Grand Dames will be there and will probably break another National Record. The sun will shine. Each swimmer will be given personal attention and encouragement. ("You just swam, do you need a 5 minute break?") Some of us will try new or "off events" because this is the meet where everyone will praise you no matter how fast or slow you swim. It's one big family at this meet.

The dinner in the park after the meet is superb with excellent food. Every swimmer comes to the feast, and almost all of us come home with a great door prize. Festivities are over by 8 PM, so there is plenty of time to drive home or head south. If you plan properly, you can still get down to Applegate Lake for Sunday's swims. What a great weekend to combine the two events!

Deleted Email Addresses

If you included your email address on your annual registration form but have not received any OMS swimming messages in the past few weeks, your email may be bouncing. If your email address is listed below, it has been deleted from the OMS Yahoo! Group email directory. You will need to contact Jeanne Teisher at

jteisher97007@yahoo.com with your new or corrected email address, if you are interested in receiving OMS group emails.

Gracie is Back!

Our new Moms are returning to the pool in grand fashion. Last month we featured Toni Hecksel. This month it is her good friend, Gracie Goddard. Check the records and you will see Gracie's name many times. She is one of the great Oregon women sprinters. At the NIKE meet, with husband Jim, son Reilly and new daughter Annelise cheering her on, Gracie returned to competition. She recorded a fine 1:03 in the 100 free. It is good to have you back.

21st Annual Senior Masters Sports Festival Oregon Masters Long Course Meters Meet

Recognized by Oregon Masters Swimming, Inc. for USMS, Inc. • Sanction #373-06R Eligibility: Currently registered USMS swimmers, 30 years and older. Unregistered swimmers must submit a 2003 registration form and fee with this form.

Location: Echo Hollow Pool

1655 Echo Hollow Rd. Eugene, Oregon

5 lanes competition-electronic timing Warm-up/down in 1 lane

DATE: Saturday, July 19, 2003

WARM-UPS: 12 NOON MEET STARTS: 1PM

Awards: Festival Awards for First, Second & Third places Banquet: July 19th, 6PM at Eugene Swim and Tennis Club

Meet Director: Arden Adams • 541-688-4013 • email: aadamsswim@aol.com

Directions to the pool: From I-5 north or south, take the Beltline Freeway exit and head west into Eugene. The Beltline Freeway heads west for a few miles and then bends to your left and heads south. Take a left at Barger, heading east until you come to Echo Hollow Road. Turn right and the pool will be on your left. Pool is located next to Willamette High School.
