Note: Category I and Category II Suit swimmers receive separate place awards in their own division for individual races. Gender Place also has a separate ranking by Suit Category. For the Series Awards, Gender Points and Age Group Points are awarded for each race based upon the swimmer's place in their gender and age group categories respectively. These places are recalculated for the Series awards to include Category II swimmers (with a 10% time penalty). The swimmer with the least number of points wins the Gender and/or Age Group Series. The Overall Place includes all swimmers regardless of Suit Category for informational purposes only.

For Gender Series: places are based on points awarded equivalent to the place ranking in their gender for each swim. Category II swimmers (wetsuits) are given a 10% time penalty for place ranking purposes in each race a that suit is worn. Winners are those with the least number of points in their respective age group series and then for overall Female and Male series.
