Please Note: Category I and Category II Suit swimmers receive separate place awards in their own division for individual races. Gender Place ranking is also by Suit Category. The Overall Place includes all swimmers regardless of Suit Category for informational purposes only. For the Short and Long Series Awards, Gender Points and Age Group Points are awarded for each race based upon the swimmer's place in their gender and age group categories respectively. These places are recalculated for the Series awards to include all swimmers, with Category II swimmers receiving a 10% time penalty. The swimmer with the least number of points wins the Gender and/or Age Group Series.

Please Note: Category I and Category II Suit swimmers receive separate place awards in their own division for individual races. Gender Place ranking is also by Suit Category. The Overall Place includes all swimmers regardless of Suit Category for informational purposes only. For the Short and Long Series Awards, Gender Points and Age Group Points are awarded for each race based upon the swimmer's place in their gender and age group categories respectively. These places are recalculated for the Series awards to include all swimmers, with Category II swimmers receiving a 10% time penalty. The swimmer with the least number of points wins the Gender and/or Age Group Series.

Please Note: Category I and Category II Suit swimmers receive separate place awards in their own division for individual races. Gender Place ranking is also by Suit Category. The Overall Place includes all swimmers regardless of Suit Category for informational purposes only. For the Short and Long Series Awards, Gender Points and Age Group Points are awarded for each race based upon the swimmer's place in their gender and age group categories respectively. These places are recalculated for the Series awards to include all swimmers, with Category II swimmers receiving a 10% time penalty. The swimmer with the least number of points wins the Gender and/or Age Group Series.

Please Note: For this race there are USMS Results, Non-USMS Suit Category I, and Suit Category II Results. Swimmers receive separate place awards in their own division for individual races. Overall Place and Gender Place ranking is also by the 3 categories. For the Short and Long Series Awards, Gender Points and Age Group Points are awarded for each race based upon the swimmer's place in their gender and age group categories respectively. These places are totally recalculated for the Series awards to include all swimmers, with Category II swimmers receiving a 10% time penalty. The swimmer with the least number of points wins the Gender and/or Age Group Series.

Please Note: Category I and Category II Suit swimmers receive separate place awards in their own division for individual races. Gender Place ranking is also by Suit Category. The Overall Place includes all swimmers regardless of Suit Category for informational purposes only. For the Short and Long Series Awards, Gender Points and Age Group Points are awarded for each race based upon the swimmer's place in their gender and age group categories respectively. These places are recalculated for the Series awards to include all swimmers, with Category II swimmers receiving a 10% time penalty. The swimmer with the least number of points wins the Gender and/or Age Group Series.
