## Oregon Open Water Swim Series 2016

**Series:** This is a series of open water swims that are conducted at Oregon venues—lakes, reservoirs, and rivers. Individual results are tabulated for athletes registered with Oregon LMSC, with scoring, awards, and recognition for a cumulative series. The purpose of this series is to promote fitness, competition, and fellowship in our unique outdoor settings.

**Venues & Events:** See the 2016 Oregon Masters Open Water Race Schedule.

### How the Oregon Open Water Series is conducted:

- ◆ Each Meet Director records the results for all athletes for each event.
- ◆ The Oregon Series Coordinator scores all Oregon Masters registered athletes for each event.
- ◆ At season end, the Coordinator tabulates the cumulative Oregon point results, presents awards to all swimmers who qualify for them, and reports the results in the *Aqua-Master* and on the website.

### Scoring:

- ◆ Individual age group scoring in each “Featured” Category I swimwear event: 22-18-16-14-12-10-8-6-4-2 points. Category II swimwear: 11-9-8-7-6-5-4-3-2-1.
- ◆ Individual age group scoring in each “Qualifying” Category I swimwear event: 11-9-8-7-6-5-4-3-2-1 points. Category II swimwear: 6-5-4-3-2-1.
- ◆ Individual scoring in each “Participation” event: 7 points.
- ◆ Category II point scale is waived when water temperature on the course is lower than 68 degrees.
- ◆ In 2016, the top ten scores for each swimmer will be tallied for a final point total. If a swimmer moves up in age group between his/her first and last swim of the series, age group points earned in the first age group will carry over to the second in the cumulative scoring.
- ◆ Swimmers must participate in at least one swim in three venues to qualify for the Oregon Series standings.

### Awards:

- ◆ Age Group: suitable awards for three places in each age group, female and male.
- ◆ Overall: suitable award for the overall champion, female and male.
