## USMS Holds Two National Championship Pool Meets Each Year.

The spring championships are held in April or May and are contested in a short course venue. The summer championships are held in July or August and are contested in a long course venue. FINA sponsors the Masters world championship long course meet in even numbered years, and UANA sponsors the Pan American championship in odd numbered years.

## **Masters swimming officially began May 2, 1970**

after Captain Ransom J. Arthur, M.D., a Navy doctor in San Diego, convinced John Spannuth, then president of the Coaches Association, to hold the first National Masters Swimming Championships in the Amarillo Aquatic Club pool. Arthur felt that if the incentive was appealing, it would give older swimmers (ex-competitors and beginners alike) a goal for keeping physically fit. Dr. Arthur's vision of adults improving their fitness through swimming has grown over the years into a nationwide organization of nearly 60,000 adult swimmers.

The USMS timeline has a rich history filled with legendary swimmers and volunteers who have contributed to the cause of providing for lifelong fitness through swimming. The USMS History and Archives Committee preserves and documents this history.
