

I am applying for the position of SPMS Top Ten Recorder.

My experience as it pertains to this position is listed below (includes only swimming). By profession I am a Unix/Linux systems administrator/analyst with many years in hardware/software development (hw/test & troubleshooting, and programming) as well as DBA experience.

Thank you,

Judi Divan, 33561 Calle Miramar, San Juan Capistrano, CA 92675 (Cell: 949-280-6787, Email: divanj@cox.net)

USMS Swimming/T10 Recorder

I served as volunteer T10 interim tabulator for SPMS from June, 2019 to October 2019. I have been the SPMS T10 tabulator from October 2019 to present. I have loaded all SPMS LCM meets into the national database and have, where required, submitted FINA WR and USMS records to the National tabulator, Mary Beth Windrath. I have worked for many years as an administrative referee for SPMS meets.

I have updated all records SCY and SCM, individual and relay for each age group, by Event and by Age Group to present. I have updated LCM records, individual to present. I have developed LCM relay records from scratch (both by age group and by event).

I have reformatted SPMS All-Time Top 10 into an easily updatable Excel format, and updating through the current season. LCM individual and relay will be next for the 2024 season since LCM was just posted to USMS in September and final season results are not yet available from SPMS.

High School, Community College, NCAA, NAIA College, USA Swimming

Many years of work as an administrative referee work for high school and college meets, and USA Swimming meets. Have run many HS CIF League Finals, and have worked as an administrative referee at MPSF and Pac-10/Pac-12 championships. Times Recognition & Sanctioning Coordinator and NTV officer for Southern California LSC of USA Swimming.
