

THANK YOU

No one sent a “Thank You” this month, therefore, this column is ending with this *Aqua Master* issue. A huge shout-out of appreciation for all those who participated. There are so many nice people in Oregon Masters Swimming.

Expressing our appreciation for others lifts our own spirits besides the spirits of those we honor. It is hoped that an attitude of thankfulness will continue with each of us throughout this year. Don’t forget to thank God, who is the giver of all that is good.

If your name is in the list below, and you have not previously seen your name in this column, you can find an *Aqua Master* in the archives that will tell you who appreciates you. Those “Thank You’s” will be in the five *Aqua Master* issues of September, 2020, through February, 2021. The month of issue is to the right of the name.
